THE IDEA

The broad idea is to enroll all children into government school.

EAC: Educational Activity Center

Four broad groups:

- Day care: 0-3 years
- Balwadi: 3-6 years, pre-primary
- Study Circle: Complementary to school
- Literacy class: In lieu of school

ACTIVITIES

- **Construction sites**
- **DSS mobile buses**
- **Municipal schools**
- **Book fairy program**

SITE VISIT OBSERVATIONS

- **Very well managed organization**
- **Staff seems very dedicated - top to bottom**
- **Lots of teaching aides**
- **Lively and conducive environment for learning**
- **Lots of non-Asha donors too**
- **Hygienic environment for kids**

ASHA SV IMPACT

Literacy Class

Study Class

Impact Study:

- Established evaluations methods
- Effective coaching in short time

Results:

- **61%** enrolled into govt schools (403/665)
- Only 7% dropout from EAC
- Plenty of success stories

What Works:

- Support from builders to cover liability
- Word of mouth awareness
- Safe environment for kids
- Good rapport with MH govt

Challenges:

- Migrating workers
- Responsibilities at home
- Social inhibitions
