Asha for Education - An Action Group for Basic Education in India

1st June 2010

To,
Mr. Chandra Savalappan
Basava Seva Trust
A-6 Thally Hudco Colony, Hosur - 635109, TN, INDIA

Dear Mr. Savalappan,

This is to inform you that Asha for Education, New River Valley Chapter has reviewed the proposal for the **Tribal Schools project at Kodakirai** for the year 2010 and has approved to contribute a one-time payment for the same. We look forward to learning more from your experiences working with the children.

We are sending you a check in the amount of \$2250.00 for the year 2010, which is part of the first installment of the requested amount. Decisions about any further contribution will be made after reviewing the financial status of the chapter and the half yearly progress report. The check (No. _____) is being mailed with this letter. Please acknowledge the receipt of the check with a receipt sent to the above address.

We require that you provide us with the following documents:

1. A progress report based on how this current funding was used
2. An annual audited financial report after the school year is done. This report should include a report of all activities and progress and a summary of your expenditure for the entire year.
3. A brief quarterly report of the happenings in the school.

Again, we are extremely happy to be partnering with you and wish you the very best of luck in all of your efforts.

Thank you.

Janani Ravi
Treasurer, Asha for Education, New River Valley Chapter.
