Attendees : Aditi, Dhananjay, Viswa, Jesil, Madhav, Raashi, Prathibha, Manan, Divya

The team voted to continue supporting the school for its exemplary work with mentally challenged kids. Prathibha visited the school in March and gave the team a positive feedback of the staff, curriculum and the cost effective measures employed at the school to train the children.

The school had put forth different projects & the team wants to remain focused on funding raw material & staff. The funding for 2013 (Rs 72000 for salary of one trainer & Rs. 306000 for raw materials, as given in the proposal) has been approved. Another project is being reviewed and more funding for Gnanadeepam will be discussed early in 2014.

Prathibha will work with Dhananjay to prepare the checklist and submit the funding request.
