

Second half yearly update of 2011:

2 students karthik and nizam have been arranged jobs outside annd with consultation and consent of their mothers opened bank accounts to credit their salaries.

2 medical camps were arranged for general check-ups.

Hearing aid provided for 1 student

As gnanadeepam is in rural area, frequent power-cuts were experienced and the children suffered health problems due to excessive sweat, 2 invertors were installed in classroom and weaving section respectively.

Diwali was celebrated in grand style on 25th october. new dresses, sweets and crackers were distributed to all students and staff

Due to continuous rains most of the huts our children live were flooded. Fever, cough and throat problems developed. so medical chek-ups done and medicines were arranged.

More products with new designs were produced and tapping for buyers. Also trying to get regular orders from corporates for some products.
