Dear Sunil,

Micda Wishes you and your family a Lucky and prosperous New Year 2008. Thanks for your kind gesture by releasing funds # 16000 for recurring expenses of school and for Mid day meal programme during the current academic year 2007-2008. We intended in our proposal to launch the Mid Day meal Programme from 1-9-2007 to 31-4-2008. As there has been delay in receipt of funds from Asha, the programme could not be stated as per schedule.

In my previous letter I have informed that the Mid Day meal Programme would be launched on 1<sup>st</sup> November onwards. At this juncture I may be kindly be permitted to add that a kitchen was run in thatched structure which was in a dilapidated condition. Due to unprecedented rainfall the thatched structure which was hitherto being used as kitchen further ruined and could not be made use of for launching Mid Day Meal programme. I also wish to inform that the Government stipulated that thatched hut could not be used for cooking Mid Day meal for various reasons. I therefore in my letter dated 21-10-2007 sought your help and permission to take up construction of a pucca structure for the kitchen with zink sheet roping limiting the expenditure for 1 month budget out of unspent Mid Day meal programme which was sanction from 1-9-2007.

I was craving for your permission which was accorded on 15-11-2007. After that due to heavy rain and procurement of necessary materials the construction of pucca kitchen was delayed by few days and we could complete

The students and Micda grateful to Asha for education, Seattle chapter for their kind gesture. Incidentally I wish to inform that the students are faring well and preparing for the ensuring public examinations which will come up in the March and April 2008. The teachers appointed by us are striving had to achieve excellent results in the 10<sup>th</sup> Class Public Examinations.

I once again wish you a happy prosperous New Year and Pongal. Convey my New Year greetings to all Asha Seattle.

Thanking you,

With Warm Regards
