**Updates by Murthy sir:**

-Covid and flood has forced them to go online

-Cognitive improvement can't be done, other activities happening online; 1 to 1 offline also held for some cases occasionally

-Distributed mobile phone to those parents who don't have it (20 children benefitted) for online education, held sessions to train how to use

-Orientation session for parents (focused on mothers) to handle social stigma and stress associated with it as neighbours have made it difficult for them during covid; got good feedback from the parents on this session

-Many children don't have Aadhar card (fingerprint etc. is difficult), Aadhar offices have not come up with alternatives

-Trying to at least get disability card for all children since it's useful to get scholarship and other benefits, getting help from a civil judge - got grievance list prepared

-Trying to cope up with financial situation, started fundraising in India and raised ~ 8.5 lacs (mostly individual donations), Could not get Gupta foundation grant, trying to get Deendayal scheme grant by Gol

**Action items:**

Asha Purdue will proceed with the 2nd installment disbursement
