Thanks a lot for the update. We are excited to have Diksha included in WAH 2013.

We have initiated the process of sending the funds of about \$2200 to Diksha, this way we will match the WAH budget. We will update on this once the funds are sent.

We have prepared Diksha's video for WAH:

http://www.youtube.com/watch?v=_8KpAx72H7g&feature=share

Please let us know if you need access to the original video file.

We have also collected photographs and content for the website. We will be sharing it soon.

Based on last year's website, we are planning to finalize the writeup on these topics:

Donate: <Brief writeup of WAH budget and it proposed usage>

Project History and Mission

Project Goals and Challenges

Success Stories

Future Vision

Please let us know if we need to include any other topics/sections.

Regards,

Gaurav

Hello All:

Purdue submission is now part of WAH.

As discussed, the current approved budget is \$7406. Once the action items are completed, we can revise the budget. Please try and arrange for those funds before July 15.
