Siri Foundation

On September 21, 2025, I had the opportunity to meet the Siri Foundation team and students enrolled in our scholarship program in Visakhapatnam, Andhra Pradesh.

A highlight of my visit was celebrating our beloved trustee, Mr. L. V. N. Rao, who received the prestigious Andhra Pradesh State Best Teacher Award. We recognized his remarkable achievement, and he surprised and inspired all of us by generously donating the entire award prize money to the Siri Foundation.

I also learned about Siri's ongoing activities and met several new students who joined the scholarship program for the 2025-26 academic year.

At the annual meeting held in June 2025, both current and newly selected students came together, and many were recognized for their outstanding achievements and talents.

In 2025, Siri welcomed 13 new students into the scholarship program. Some from Super60 program.

I also joined Mr. Rao and his wife, Mrs. Damayanthi, who is also a teacher, on a visit to meet Sahithi and Nomusri at their educational institution in Visakhapatnam, where they are studying in 11th grade. Both students joined Siri's scholarship program for the 2025-26 academic year.

Mrs. Damayanthi also visited our new student, Mary Elusuri, who joined the scholarship program later in the academic year. Mary is pursuing her M.B.B.S. degree at Rangaraya Medical College in Kakinada.

Kansas City Project Steward Pathanjali Malay and few more Asha Kansas City chapter team members including Raj Malay, Lakshmi Chintala, Sri Gowri Yarlagadda joined a Quarterly virtual connect with the Siri Students on Jan 10, 2026.
