

10.

ASHA FOR EDUCATION.
340, LEMON AVE.
Ste, 2742,
WALNUT, 91789,
USA.

Greeting from Shaaron special school ,

I wish to share about our evaluation .We have set the goals and objectives for every quarter. We have used the behavioural assessment scale for the assessment and programme setting, we have to set the goals based on the needs and ability of the children.

Five to six skills select to each quarter. At the end of the quarter we have evaluate the skills by the special educator. Some children are achieved all the skills some time they are having need training and then we have to strengthen the skills for another quarter. When they have achieved the skills we have to choose another skills.

We have to give the priority of the skills based on their age, ability and need of them.

I have given some evaluation report for your understanding .
Kindly read it.

Thanking you,

CORRESPONDENT
SHAARON SPECIAL SCHOOL
RAJAPALAYAM,

Arumuga age 6 , he is a new student with associate problem in his health, he has affected epileptic, he is a hyperactive child but he had improvement in academic skills.

Nithish:

He is a CP with MR child, he has not improve the academic skills.

Subalakshmi:

She has very sever with Autism child, she has many problematic behavior. She had been with others, and aggressive behavior but now she had got little bit improve in her activities and improved basic academic skills.

Nivetha:

Nithish and Nivetha are twins. She has improved in her academic skills.

Marimuthu:

He is down syndrome and hyperactive child. He had improved in his academic skills 80%.
