Respected Sir, Greetings from Shaaron Special School Rajapalayam.

By the grace of God and support from asha, our school is running regularly and peacefully.

Now we are conducting programme and giving regular therapies also especially lunch also we are providing regularly.

### LUNCH PROJECT

On 2006 onwards we are giving good lunch for my own effort for my satisfaction. But after pandemic we had stopped that project because of my financial position but it was so painful to me, our children also disappointed, But that Noble person astin and his team has helped us through Asha is so helpful, I am really thanking to the kind hearted team, at the same time always I am grateful to Asha

After pandemic I had no hope to run the school regular. But Asha had given not only Financial support and also given me hope to continue to the school.

We have 54 Children in our school, But all the children are not coming to the school regular. Because we couldn't arrange the transports for all the children, Only two vehicle only for bring them, Another one reason is we had not provided lunch for them.

So now 7 children are coming to the school regularly. In june to dec 2022 they didn't come to the school, after we have started the lunch they are coming regular.

Now after pandemic our children are affected with some seasonal sickness now 32 children are coming.
