To

ASHA FOR EDUCATION,
USA.

Respected Sir,

Greetings from Shaaron special school,

With the grace of almighty god, we have finished the academic year (2015-2016) successfully.

We have declared the holiday for summer vacation on 22nd April to June 2016. Then we have to reopen the school on 6th June.

We always great full to Asha for financial support us for the last academic year 2015 to 2016 March last academic year is a blessed year in our school history.

In last year we run the school with more confident & feel free from the financial barden, last year we had planned the whole year programme based on the permanent staff and I didn't have any barden for the staff problem. Because of Asha's help we didn't change the staff the children also attached and understands the staff and co-operate the staff. So we have not any problem for the staff and students relationship.

This academic year we have planned to focusing the vocational unit, so we create the vocational project as a income generating programme.
