### QUARTERLY REPORT APRIL 2022

Respected sir/Madam,

Greetings from Sharon special school, Rajapalayam. By the Grace of god we have reopened the school on 01/03/2022 onwards our children are liked very much, Happy about the school the parents also happy about it. Most of our children are grown up very well After the lock down we have faced a new problem about the transportation of our children.

Because all the children are grown up so the auto is not sufficient for the the students for a single trip. Already the fuel status is very high to compare to before the lock down days. The fuel rate is increasing everyday so the transportation charges are very high which cannot afford for myself.

Some Parents are not willing to send the children for the school in the middle of the year. Somebodies are waiting for the month of june.

Again we are struggling the financial for the running of the school.

#### Construction:

Now , Moreover we have finished the school construction, especially the kitchen and store room has completed coridor, water sump also completed.

Now we have started and run the school regularly. But all the children are not coming to the school now. According to this climate somebodies are waitin for the month of june, some children are grown up, somebodies are working as a helper like PONRAJ has a milk man in his own village. His family has some cows and maintain it. NIVAS also going to their own shop ( Banana ,coconut shop at srivilliputhur) S.SURESH is working as a Weaver in his village, so all the three children are working and earning some money . lam so happy about this news through their parents. I hope this is a good news for Asha also.

Now we have refresh the regular skill for our children. We have follow the regular programme based on the regular scheduled as usual. On coming June onwards we have to go for the Assessment and set the new programme based on their profile.

This year the climate is so hot. So we have to decided to close the school on 22<sup>nd</sup> April. Then we have to reopen the school on the june 2022 based on the government order.
