Quarterly Report

Respected sir,

Greeting from shaaron special school.

By the grace of god and with the timely support from Asha foundation, we have successfully completed our first term. The school was closed for a period of 10 days from the 23rd September to 3rd October for the quarterly break and reopened on the 4th October for the second term.

New Admission

Currently we have 47 children in our school. The good news is we have few new students who joined us in this academic year. The names of our new students are ponraj, murugan, suriya, varshini, manikandan. But we also have few students who dropped out due to family problems.

The names of children who dropped out and the reason are

Beermohammed -His parents have moved from Rajapalayam to Perayoor.

Iniyavan - has moved back to be with his parents in Chennai.

Devika and parameswaren- they have joined regular school.

T. Shankar –is going to get married so he has stopped coming to school.

Our regular school programs are going as the schedule and doing good. Our school will be closed for Deepavali holidays in the coming week.

Vocational project

After the holidays we are looking forward to start some new vocational projects for our grown up children in the vocational unit. One is phenyl production and the other is Areca leaf plate manufacturing business. Regarding the Areca leaf plate manufacturing I will be travelling to Trichy and Chennai to learn from those already in the business.

We are also hiring a staff for the project to replace Selvaraj who was handling the project before we are hoping to find some one soon. Meanwhile his salary amount is in the bank and we haven't used it for any other purpose. Asha has always been a great support and help to us. We request you to kindly the money for our staff's salary for the coming the six month.

Regarding the sponsors, I have send a proposal to a person through a friend of mine. We are hoping to find a sponsor soon. As soon as I hear from them I will keep you informed.

I also went to Madurai to attend the CESEI program. Karthik (Madurai seed) has introduced me to a few NGO workers. Hoping to stay connected with the NGO workers and looking forward work with them more.

I send all the details of our staff salary for the last 3 months.

Thank you so much for your generosity and kindness. Your timely support has kept us going.

Thank you
