QUATERLY REPORT

Respected sir/ Madam,

Greetings from Sharon Special school, Rajapalayam. By the grace of god we have finished this IInd term of this academic year with the support of ASHA , we are always grateful to ASHA.

Really I feel the support of Asha is so encouraged me and our team. In this pandemic period Asha's support is so helpful to us. Because we didn't get any other support from local sponsors throughout of the year.

In last year the Redington foundation has supported in many ways for our children, but this year they had stopped the school project and they are focusing only the covid Relief project. Now I am searching another sponsor like redington.

Home Based Programme :

Starting of this academic year we are doing only the home based training for our children.

We are going to the children's residence and giving training and counselling to the parents or guardian and refreshing their academic skills in their residence.

In between on end of the Nov 2021, we have opened the school according to the Govt order. But we couldn't continue the school because we have a lake near by our school area it was broken on the rainy season. So we had met a flood in our School campus and suffered lot with our children so we had closed our school and continue the home based training. The government also announced the lock down for the school s upto 15th feb 2022 .Now also we are doing home based programme for the children upto 2 nd March 2022. We have planned to open the school on 2nd March 2022.

Construction Project:

I am so glad and thankful to the Lord for this project in this year. And also thankful to Asha for the perfect support in this needful situation. SO I am always greatful to the Asha, without Asha's support I couldn't finished this project. Now more over we have finished this project. Remaining 25 % work is going on.

Dedication Ceremony:

We have to planed the dedication of the building on 28th Feb Monday. It will be a simple function with our parents and some well-wishers only, not a grant celebration.

Photos and Videos:

I will send all the photos and videos about the construction works. And also send the home based programmes.

FCRA RENEWAL:

Last month some officers from Virudhunagar SP Office for enquired about the FCRA Details and collected some data about our School. So we are waiting the FCRA Renewal status. I hope it will be reach on end of the March 2021.

I apologize of sending this delayed Quarterly report. Thank you for ASHA.

Your's faithfully,

CORRESPONDENT
