QUARTERLY REPORT JANUVARY 2020

Our school has reopened on 22 October we have strated our program in the first day of our school reopening.

In that time our children are trained by the staff will their new program setting that is the next level of their academic and individual programme according to their quarterly evaluation is repert.

As usual our academic programme is going on very well accoding to their individualized programme planning. children are get more improvement in their previous level.

Now we are giving training to our children Jaipandi, Ramasubbu, Nivas, Suresh,... ect, to attend the VIII std regular school syllabus. Now we have to give training for them regularly, we have appointed one post graduate teacher, with BEd qualification especially for this class.

Teaching is materials

we have 65 children in our school most of them (80%) of children are having fine motor problem (lack of finger movements) so we need more teaching and exercise material for fine motor skill. Already i spent nearly one lakh for these material on 2015, But all these materials are spoiled thorough the regular use. so we need occupational therapy and fine motor equipment for our children. Please help us to purchase these materials.

Emergency need:

we have provide free lunch for our children from 2006 onwards but we have not proper kitchen building 2006 onwards we are using a temporary shed but now it is very damage condition so we must search a alternative solution, please help us to construct the kitchen. we are waiting your favorable reply.

Thank you

Yours faith fully.
