

**Respected Sir/ Madam,**

Greetings from SHAARON SPECIAL SCHOOL FOR THE MENTALLY RETREADED CHILDREN RAJAPALAYAM.

Sir/ Madam, we always great full to you. Last year you helped us for purchasing of Computer & Computer Table, cup Board, table and Physiotherapy equipment for our school is very useful & helpful.

Especially the computer is very support us for our project. Our school is situated in the outer area of the city. So we could not get proper frequently transportation from our school to the city.

Even we send a mail for somebody (or) typing a format and send to the government office also very difficult. But we get a computer all these leading work is very easy. So we always great full to you.

Another our goods the cupboard is very helpful to our school Library.

## **Multi - Functional Hand Exerciser [Physiotherapy Equipment]**

This Multifunctional hand exerciser is beneficial for our students, movements like finger flexion, Extension, wrist flexion and extension forearm supination pronation, finger rotation (hand) Shoulder rotation, 5 movements are performed by this equipment.

For Example, our students

- 1). Krishna Priya ® wrist drop perform this exercises regularly. Now with the help of the equipment she does the movements well and improved.
- 2). Jaimariappan L (Wrist drop) also gets benefited through this equipment.
- 3). AngalaEswrai performs this exercise to strengthen upper limb.
- 4). I taught Dharshini to use the equipment for finger grip.

Here I have highlighted few students but many other students are benefited. Physiotherapist view about this equipment is good for performing various movement in single equipment. It is easy to guide and safe to teach exercises through Multi-functional hand exerciser.

Sir, this year also we are expecting some help from Asha. Especially the staff salary is very difficult to manage in every month. Please consider our difficult and help us. We are waiting for your precious reply from Asha.

Thanking You

By

Yours Faithfull

***Mrs. T. PREMA***
