Continuously I am searching and sending some proposals to many Organisations with the support of Professionals in this area. I am paying them for also. Till now I have spent up to Rs.30,000/- in this work. I have the receipt of that. But I couldn't get any help from any organisation. But continuously I am doing this work.

So I request Asha for continue this help upto I will get another sponsor. If Asha will stop the support, again we will suffer lot in the financial area, last 3 years only I am doing our service without burden free from financial crisis. So please consider our problem.
