Respected sir,

Greetings from Shaaron special school, By the grace of God we had come across this pandemic period safe and secure. In this period safe and secure. In this period also god has done demontrous deeds in our life.

We have received great things from God. Our Chennai civil Court (AG & OT) has sponsored a Maruthi ECCO 5 STR, A Washing machine and Kitchen Equipments for our school.

On April we have visited our children's residence for Home based training. We have collected their natural conditions in their houses. Some parents are worried about their children because they cannot control themselves. Some children are getting violent behaviour , Especially subah she is an autism child in severe category her condition is so pathetic , she has beating others including her mother. All the parents are eagerly waiting to open the school.
