Do you approve project for a total budget of Rs 6,52,500, for 90 children's preprimary education from May 2014 through April 2015? *

- Yes
 No

Project has asked for 57% of funds in first installment and 43% in second. This is due to certain cost items that are needed upfront for the project to start such as educational kits, uniforms, utensils etc. Do you approve to send 57% in 1st installment? *

FYI - Asha's policy on this is that each chapter has the flexibility to decide how annual funds are to be sent. e.g. 100% in one go, split equally in 2 installments, split unequally etc

- Yes
 No
