1		Padal	Vasava khushbooben Ravilal bhai	13		8th	11,000	she stays with her uncle who spent for all her expense, due to her mother got married to some one else so as her father. He owns a mud house and he has 5 daughter. Her uncle is labor at GIDC, economically not strong. But he wants all her daughters include khushboo to go for higher studies.	she wants to do Graduation. Her uncles has to afford 6 girls including khushboo which makes her feel burdened on him. So financial help or school supplies for higher studies will reduce her own expenses in a house.	They will allow her uptill she wants to study.	8500.00
2		Padal	Vasava Nikita ben Chaturbhai	14		9th	11,000	she stays with her grand parents, her aunty pay for all her educational expense because her father died and mother got married to someone else. Her aunty works as laborer at huber company. Grand father works with an alcohol producing shop. Aunty supports for all her educational expense. lives in a muddy house.	she want to become a nurse, after HSC she wil join nursing course. Big Issue is Transport facility as walking km a day from padal to vakhatpura, from there also don't get bus on time which affect their education, late attendance. Require clothing and books.	Her aunty is very supportive in education, though her parents are not there.	8000.00
