

Proposal for funding to pay students tuition for education for 2023-2024

Dr Sri Yarlagadda has donated money to KC chapter and expressed that the funds need to be utilized for the payment of tuition to students who are financially weak and want to pursue education beyond 10<sup>th</sup> grade. We have been trying to identify students at various locations through different channels. Dr. Srinivas runs MSR trust and their primary activity is to support students by paying the tuition fee. He has identified few students that meet the criteria, and the list has been reviewed by Dr Yarlagadda.
