Mission
We educate, motivate and empower the young women of rural communities to grow into proud, contributing family members.

Principles
Provide Value Based Education
Promote Health and Hygiene
Facilitate Wealth Creation through employment

Approach
Our work is about engaging and empowering the young women of our rural communities by providing them with life skills through education.

We believe this will build stronger, more vital communities, improve local economies, and expand the opportunities for young women to seek an independent livelihood.

We cultivate a healthy and hygiene-aware community through our collaboration with local leaders by conducting medical camps and community town meetings.
Situated in Jattari town, an agriculture driven rural town along the Delhi-Aligarh national highway (N.H.) about 10 minutes from Noida – Agra Yamuna Expressway. This institute is approximately 70 kms. from Noida (NCR- New Delhi) the capital of India. School serves for town Jattari and the villages located within 10 km radius around the town Jattari.

**Literacy Ratio**

Prior to the functioning of this school the literacy ratio of boys and girls was nearly 95:5. Since then there is been continuous improvement to about 65:35. We believe every year this number is improving significantly.

**Gender Bias**

In this region, guardian’s attitude towards girl’s education is biased. They prefer to educate the sons instead of daughters. If girls were given the opportunity, they will be as successful as the sons.

**Economy**

Due to lack of infrastructure developments in the region, agriculture is the primary source of income for most residents. They prefer to send the girls to work in the fields rather than go to school.

**School Infrastructure**

Over 600 Students from 1st to 12th grade
30 Teachers with bachelor and master degrees
Over 2 ½ Acres of Land with 32 Classrooms
E- Learning Center with 12 computers
Library
Science Facility
Sports Facility
Fully Furnished Guest House for Visitors and Volunteers
Vocational Learning- Sewing Center

Science Center
A Fully equipped Science Center with Physics, Chemistry and Biology
Sponsored by Mohan Venkatraman and Vijay Balasubramaniam
Started in July 2013

Advance Learning Support through Airline CSR
An Airline CSR is supporting BSPES students with Advance Learning Support by providing Laptops to the school. Students and Teachers use these laptops for using the internet for learning.
Started in December 2014
**NCC (National Cadet Corps)**

National Cadet Corps is a Tri-Services Organization, comprising the Army, Navy and Air Force, engaged in grooming the youth of the country into disciplined and patriotic citizens.

The Cadets are given basic military training in small arms and parade and are given preferences in active military recruitment.

Cadet Nitin Chaudhary was selected for Republic Day (RD) Camp 2012 and Parade at National Level (January 26th 2012)

Cadet Sonia Sharma was selected for Inter Group Camp (IGC) 2012 at State Level (November 2012)

Cadet Madhuri Singh was selected for Inter Group Camp (IGC) 2012 at State Level (November 2012)

**Scouts**

Girls from 6th to 8th grades participate in Girls Scout and Guide Programs.

This enables and encourages them towards value based education and contribution towards the society.
Vimalaben Himmatlal Magia Breakfast for Kids

Essential calcium and iron needed for growth is key focus in the nutritional plan.

In our health checkups conducted last year, we have found more girls with severe and moderate cases of malnutrition. Our goal is to provide the food/breakfast to all the girls.

This program was started in 2013 by serving 145 students (4-10 years of age) by proding a glass of milk and a breakfast item (protein based) and was sponsored by Rodger Forni, Niraj Parekh and Abhay Dixit.

This program is now expanded to 500 students from 1st - 8th grade and now supported by Mr. Niraj Parekh from Harrisburg PA USA.
Community Initiatives

Solar Lantern Initiative
Solar Lantern initiative was started in 2013 with 80 lanterns and 1 KW Solar Panel System sponsored by Ashit Singh by donating Rs. 275000 ($5000)
Students bring the lanterns in the morning, we energize them at the school with solar panels and they will use it to study at night. Improved attendance is an outcome of this initiative. The next step is to create self-help groups in the villages to maintain the lanterns and provide to the villagers.

Bicycle Bank Initiative
Bicycle Bank initiative was started in 2013 with 87 Bicycles (Atlas Goldline) sponsored by Dipak Kapadia by donating Rs 200000 ($4000)
Students will get the cycles to come to school to avoid walking for 4-5 Kilometers each way. Improved Attendance is an outcome of this initiative

Tricycle for Kavita Sharma
Kavita is a 11th grade student, who has maintained over 90% attendance inspite of her village being 4 Kms (2.5 miles) each way from the school.

School Van and Bus Initiative
School Van initiative was started in 2013 by procurement of Mahindra School Van sponsored by Dipak Kapadia and Niraj Parikh by donating Rs 100000 ($2000) each.
BSPES has procured a school bus to further increase the coverage and bring young kids from their villages. This project was funded by Vijay Balasubramaniam and the family by donating Rs 900000 ($13300 approx).
Community Initiatives

Kalpanaben Naginbhai Patel Textbooks Program

Mr. Harish Patel of Fort Worth TX has sponsored this program on the name of her sister Kalpanaben daughter of Naginbhai and Urmilaben Patel by providing the textbooks to all students every year who have 90% and over attendance in previous academic year.

Disha N Parekh Uniforms, Shoes/socks, Caps and Woolen Sweaters Program

All the girls who are unable to afford are provided the uniforms, shoes/socks, caps and woolen sweaters under Disha N. Parekh uniform program.

Scooty Learning Initiative

Scooty Learning initiative was started by procurement of Honda Scooty. This is to empower girls and boost their self confidence. This initiative is available to 11th and 12th grade students if they maintain 90% or more attendance.
BSPES team conducts village meetings with parents, grandparents, and students in several villages to increase their participation in programs like NTTF, Call Center, Nursing Program, Yoga Science and Engineering Courses.

Awareness and Opportunities

Polio Drop Program
Girl Child Education Awareness
Save Environment
Value Based Education

Sports, Music and Celebration

Special Projects and Classes

Science Projects
Leahy’s Build a Toilet Project

In 2015-16, BSPES have selected the girls to build 15 Toilets at their houses under “Leahy’s Build a Toilet” based on following criteria

Girl is maintaining 90% or over attendance.

Girl is supported by a single parent (mostly mothers)

Girl is committed to finish minimum college level education and parent agree not to marry her earlier than legal marriage age of 18 or older.

The total cost of the toilet project was Rs 19,560 (approximately 300$).

Additional 12-15 Toilets will be built in 2016-17
Community Development - Hygiene

Toilet Project for Kavita Sharma

We have built a handicapped accessible Toilet for Kavita Sharma at her house in the village Chajjupur.

Kavita is a 11th grade student who comes on a tricycle from her village everyday.

Her village is about 4 KMS (2.5 miles) each way.

Kavita has maintained over 90% attendance.

The total cost of the toilet project was Rs 17,560 (approximately 350$).

Toilet Project for Rajani

Rajani is a 8th grade student at the school. Her village is about 3 KMS (1.5 miles) from the school. Rajani has lost both the parents at a very early age and currently living with 4 elder brothers in her 2 room house.

Rajani takes care of daily household chores including cleaning, cooking etc prior to coming to the school.

Despite of these challenges Rajani has maintained over 95% attendance.

The total cost of the toilet project was Rs 17,120 (approximately 290$). Rajani’s brother has helped us in building the toilet.
Kisana Sharma and Khuma students of BSPES, got selected for a 3 year computer diploma at Nettur Technical Training Foundation (NTTF) Bangalore Campus (http://www.nttftrg.com) after passing the entrance exam. The have received 100% scholarship for the tuition fees.

Priyanka, Reena and Usha students of BSPES, got selected for 3 year Bachelor of Science (Yoga) Course at Vivekananda Yoga Anusandhana Samsthana (http://vyasa.org) Bangalore Campus.
Bandana, Surabhi, Pooja, Niraj and Sanju were students of BSPES and now successfully working in different Multinational Companies in New Delhi Area and are earning salaries of 150k-200k per annum.
Success Story

Following Students have competed the training and have started the first job of their lives at Call Center Department of Kingdom of Dreams Gurgaon India (http://www.kingdomofdreams.in/about-us.html)

Krishna Kumari
Pooja Kumari
Neeraj Kumari
Bandana Kumari
Sanju

Next batch waiting for appointment letters

Sangeeta Sawariya
Surbhi Kumari
Community Collage Initiative (CCI) Program
Sponsored by the bureau of educational & cultural affairs of the United States Department of States

We are training students to appear in English Test and Interview (conducted by US Embassy New Delhi)

Once Selected these girls will have an opportunity to come to USA for 1 year Hospitality Management Course on a cultural exchange program fully sponsored by US Department of States

Personality Development (PD) Program
By English Helper (wholly owned subsidiary of the Boston based English Helper Inc.)

This was 10 week summer training program for 10th and 11th grade students

Call Center Training Program
Sponsored by Kingdom of Dreams Gurgaon India (http://www.kingdomofdreams.in/about-us.html)

A fully sponsored training program -partnership of BSP&PPES (http://www.education4change.org/)

Following Students are completing training followed by employment by Kingdom of Dreams
Primary School Uplift Program

We are the process of aligning the Primary Education with our partner organization PPES which is based on Satya Bharati.

We would like to improve the classroom environment by painting the classrooms with bright colors, providing charts and tables on walls and providing furniture for children to sit.

Community Health Initiatives

We would like to start Health Checkup, Eye Checkup to Girls, Mothers and Grandmothers and provide the basic iron, vitamin supplements and eye glasses.

This program will help the families especially mothers to understand basic health, feminine hygiene.

Vocational Training

We would like to start basic training of clay pot making, candle making, paper bag making to develop the entrepreneurial skills.

We would also like to automate the Sewing Center by providing power operated (solar power) machines for sewing, embroidery etc.

Hygiene – Build Toilets

We have already built 17 toilets at the homes of the students and now got a good understanding of local conditions, labor requirements, procurement of material etc.

We would like to build additional 15 toilets with water supply and septic system at the homes of the students.

Smoke Less cooking (Chulha) Initiative

We would like to provide smokeless Chulha (stove) to the mothers whose daughters are maintaining 90% and over attendance.

English Learning and Speaking Initiative

We are working (started in December 2015) on developing English Learning and Speaking programs to make student compete for higher technical courses and jobs. We invite volunteers to participate in these programs.

Clean Water Initiative

We would like to install 3 commercial grade water filtration systems (non-mechanical) to provide clean water in the school.

We would like to start pilot programs by providing 50 water filter system for the students for their homes to provide clean water for the family.
Sponsor a girl with Rs. 6800 (100$) per Year

Standards Cost
1. Academic Cost per student - 475 RS per month x 12= 5700 Rs.
2. 300 Rs for shoes and 50 Rs for Socks- Total- 350 Rs.
3. Uniform 1 Pair - 250 Rs
4. Text Books- 500 Rs (for 9th-12th standards, the text books cost is higher)
TOTAL- 6800 RS (Approx. 100$)

Additional/ Specific Cost
1. If the student's village is more than 3 Kms each way, bicycle is provided to her. The cost for buying the bicycle is 3600 Rs
2. If the student in young (primary) or comes from more than 7-8 Kms, the cost of school van is 380 Rs (average) per month, if the school van is running on this route.
3. Sweater for winter months- 250 Rs each
4. Breakfast per day per Student- 6 Rs (1800 Rs per year with Sundays/ holiday etc )

The checks can be made to

Volunteers bring value…. 

Health and Hygiene Programs
By Dr. Jugal Kishore
New Delhi India

Volunteering is a way to bring value to our mission. Whether you excel in providing menstrual health care, teaching basic hygiene, promoting healthy eating or child nutrition, we welcome your help.

Yes, you can help. No matter what you are good at (English teaching, computer training, arts and crafts, healthcare, sports, career counseling, accounting or program coordination), WE NEED YOUR HELP.
