Major common Events in Play centres

The AID India in partnership with Australian High Commission implemented the Skill Improvement program for tribal teacher volunteer and children in allure seethe ram district of Andhra Pradesh. The program was implemented in 13 play centres and reached 285 children between 1 to 5 stranded. The program was implemented through 13 Volunteers who conducted the sessions in the play centres.

The Aid India also providing TABS to the Volunteers. Along with this, in the monthly review meetings, they conducting Aid volunteer from Chennai through online explaining to volunteers how to read , how to use syllabus available in the tabs they all so progress the implementations of English learning in their respective centre.

Ambedkar Birthday:-

On April 14th, Ambedkar Jayanti was celebrated. The volunteers explained things about B. R. Ambedkar to the children. They told them where Ambedkar was born and how he lived his life. The volunteers also explained the welfare measures and reforms he introduced for Adivasis, Dalits, and women from other marginalized communities. Further described how Ambedkar excelled in his studies and encouraged the children to learn

from his dedication to education. The children listened with great interest and enthusiasm. After the session, the teachers distributed snacks to the children's.

August 15th and 26th Republic day celebrations:-

On August 15th, Independence Day and on January 26th celebrations are held at the centres. Children, village elders, and the parents of the children all participate in the event.

The national flag is hoisted by a village elder, an Anganwadi teacher, or an ASHA worker from the village.

After the flag hoisting, the volunteers explained to the children and villagers that India's independence was achieved because of the

sacrifices made by many great leaders and freedom fighters. The volunteers also shares information about how and when India attained independence.

After flag hosting the entire village celebrates the occasion like a festival. The parents of the children in the village come together and prepare food for everyone in the village, and all the villagers share the meal together.

Get to Gather with old students:-

On September 28th, we organized a get-together program for the previous students of Shankaran Tata Aatala Badi who joined Ashram schools. Students studying in 8th class, 9th class, 10th class, Intermediate, Degree First Year, and Degree Second Year total 41 students (16 boys, 25 girls) 15 volunteers participated in the program.

The chief guests for the event were E. A. S. Sharma," IAS " (Retired), former Secretary to government of India and Misses Rani Sharma.

The students also shared details about what they are studying, where they are studying, how they are continuing their education, and their interest in studies. They further explained the difficulties and challenges they are facing in pursuing their education. After listening to all these experiences, the guests felt very happy and encouraged the students.

While addressing the students, the chief guests said that many problems and hardships may arise during the journey of education, but one should face them courageously and never give up until achieving their goals.

As part of the discussion, a student named Marri. Prasad from Goyyigunta village, Vanjar Panchayat, of G. Madugula Mandal, shared his experience. He secured a seat in Jawaharlal Nehru Technological University Engineering College at Vijayanagaram. However, he had cancelled his admission and returned home because he was unable to pay the annual mess fee of ₹36,000. Immediately after hearing this, Mrs. Rani Sharma and Mr. Sharma encouraged him not to stop his education for the sake of ₹36,000. They assured him of their support, asked him to reclaim his seat, and generously provided ₹36,000 towards his fees. Now Mari Prasad continues his study.

Later, they spoke about their close bond and association with Shankaran. They explained that Shankaran lived a life of great honesty and worked selflessly for the welfare of poor people, Adivasis, Dalits, and women. They advised the students to take inspiration from his life and follow in his footsteps.

After that, the children had lunch and spent time joyfully with games, songs, and other fun activities. Through this program, we were able to understand the problems the students are facing, their interest in education, and the goals they want to achieve in their lives.

The students who attended the program belonged to different villages and different learning centres of sanakran tata atala badi. Later they joined government residency school and stayed in the same hostel but many of them did not know each other personally and rarely interacted. However, because of this program, they got to know one another better and became good friends.

During this program, the former students performed the action songs and cultural performances that they had learned during their time at the play centres in front of the guests. The chief guests were very happy to see the students remembering and presenting the performances they had learned long ago, and appreciated the way they relived their childhood memories through those presentations.

S.R . Sankaran Birthday celebration in school :-

On October 22nd, the birth anniversary of Sri S.R. Sankaran was celebrated in the centres. On this occasion, the volunteers explained to the children who Sri S.R. Sankaran was and why the centres is being run in his name. The volunteers showed his photograph and explained his life history in a simple and understandable way for the children. They told the children's that Sri S.R. Sankaran worked tirelessly for the rights and welfare of poor and marginalized people and always stood for justice and social responsibility. Later, snacks were distributed to the children. The volunteers encouraged the students to study well, grow into responsible citizens, and follow the ideals and service-minded nature of Sri S.R. Sankaran in their lives. The children actively participated in the programme and spent the day happily.

National Children's day celebration:-

On November 14th, Children's Day was celebrated in the centres. With great joy and enthusiasm. On this occasion, the volunteers conducted various

games, songs, and cultural activities for the children. Small prizes were distributed to the winners of the games, which made the children very happy.

The children spent the entire day playing, singing, and enjoying the celebrations in a cheerful atmosphere. The volunteers also placed a portrait of Jawaharlal Nehru and offered flower garlands as a mark of respect. They explained to the students that Children's Day is celebrated

in honour of his birthday and shared a few details about his contribution to

education and society. And all the children actively participated and enjoyed the celebrations.

Gandhi Jayanthi :-

On October 2nd, Mahatma Gandhi Jayanti was celebrated in the centres. On this occasion, the volunteers explained to the children who Mahatma Gandhi was and how he worked tirelessly for India's freedom struggle. The volunteers told the children's that Mahatma Gandhi is known as the Father of the Nation and explained that his picture appears on the currency notes we use because of his great contribution to the country. They also spoke about how he led a simple life and took part in many hunger strikes and Padayatras (peaceful marches) for the freedom and welfare of the nation. Later, the children and volunteers paid tribute to Mahatma Gandhi by decorating his photograph with flower garlands and showering flowers as a mark of respect. The programme was conducted successfully, and the children learned important values from the life of Mahatma Gandhi.

Excursion Tour to Visakhapatnam :-

On March 22, children from 13 schools were taken on an educational tour to Visakhapatnam. Two (2) children from each centre participated in the trip. As per the request of each volunteer, their wives and their kids were also invited to join the tour. Thus, each group consisted of four members — the volunteer, his wife, and two children.

On Saturday, March 21, they started from their respective villages in the morning and reached Anakapalli by evening. On Sunday, March 22, they left early in the morning by bus for Visakhapatnam.

The first visit was to the Indira Gandhi Zoological Park. The children were extremely excited to see tigers, lions, various animals, colourful birds, snakes, turtles, crocodiles, giraffes, and zebras. Most of them had only seen these

animals on television or in movies before, and seeing them closely for the first time brought them immense joy. In their excitement, the children walked long distances throughout the zoo without feeling tired.

The second visit was to Kailasagiri. After taking some rest and having lunch there, the children spent a long time playing with the various play equipment available at the hilltop park and enjoyed themselves very much.

The third visit included the INS Kurusu Submarine Museum, the TU 142 Aircraft Museum, the Indian Navy helicopter exhibits, and the Air Power Harriers Museum. The children were thrilled not only to see the helicopter and aircraft up close, but also to step inside them and imagine what it would feel like to travel in them.

The group had also planned to visit the beach, but due to the late hour and darkness setting in, they returned from Visakhapatnam and reached Anakapalli at around 9:30 PM.

On the morning of March 23, everyone safely returned to their respective villages in the same bus that had been arranged for the educational tour.

Work Shop:-

A two-days training program on the Right to Education Act 2009 was conducted for Adivasi youth from villages where play centres are working on March 30 and 31. Volunteers from 13 centres, along with a total of 30 youth selected from villages, participated in the training program.

During the sessions, the participants were educated about when the Right to Education Act, 2009 was introduced, the important provisions included in the Act, and how these rights and provisions can be effectively used for the benefit of Adivasi children and communities.

Medical camp :-

With the support of Dr. Divya Teja from Anakapalli, we conducted three medical camps. 1st camp, on 16/11/2025, 2nd camp, on 14/12/2025, 3rd

camp on 11/01/2026 in the villages 6 where the play centres are being run, to address severe skin diseases such as scabies, ringworm, and itching that were affecting paly centre children as well as adults in the villages.

Through these three medical camps, medical services were provided to 460 people from 6 villages by Dr. Divya Teja. They identified the diseases affecting the patients and provided appropriate medicines for treatment. Along with distributing medicines, they also created awareness about how to use them properly and the precautions that should be taken at home to prevent the spread of these skin diseases.

“The learning and education provided to the children in the play centres during this year.”

Play centre -1 (Addathegala)

Play centre village name	Addathegala
Panchayathi	Vanjari
Mandalam	G.Madugula
District	Alluri setha rama raju
Teacher Name	P.chiranjeevi
Number of children's	37 (Boys – 17 , Girls – 20)

- Missing letters
- Jumbling words
- Lunch time (activity)
- Time measurement
- 240 words reading & writing
