Question

This poll is for approving an unplanned expense for Navjyoti - relocating expense for the Harsos center. This center was earlier using the village's Community Center. The UP govt. is now claiming the community center back to establish a Panchayat office and thus forcing the Harsos center to relocate to a rented accommodation. This budget captures the expenditure for renovating that rented accommodation (like putting tinned roof, constructing toilet etc.) to make that usable as a classroom. The total budget amount is Rs. 47,500/- (~\$1080). To see the detailed budget click here - http://www.ashanet.org/projects-new/documents/124/Constr_Harsos_center_2011.pdf

- Yes
 No
