

Construction & Purchase Budget for Navjyoti (Harsos center)

Steward's Note (Chandan Dasgupta): Harsos center is relocating to a rented accommodation. It was earlier using the village's community center. The govt. is now claiming the community center back to establish Panchayat office and thus forcing the Harsos center to relocate. This budget captures the expenditure for renovating that rented accommodation (like putting tinned roof, constructing toilet etc.) to make that usable as a classroom.
