COVID-19 RELIEF WORK IN VARANASI

REPORT

FROM 31 MARCH 2020 TO 31 MAY 2020

REPORT BY SWATI SINGH & NANDLAL MASTER

A sibling’s (From migrant worker’s family) reaction after getting relief kit.
During the time of pandemic COVID-19 relief food material has been delivered to the people of the most affected rural-urban slum areas and also among the migrant workers through organization like Muheem and Lok Samiti in Varanasi (Uttar Pradesh) India. This relief work was started in 30 March 2020 and was continued till 31 May 2020. In the different phase of this relief work poor and needy families of weavers, daily wagers, landless farmers, pregnant women, specially abled and migrant workers has been benefited. Most of these beneficiary were from marginalized community (Like – Mushahar, Rajbhar, Nut, Harijan and Muslim).

Support of Public & Non Profit Organization

This whole relief work become successful with the huge support of public support. And organisation like – ASHA, Sajha Sanskriti Manch (Collective forum of NGOs), AID, Crea, Chances For Children India & Learn For Life keep their support from the beginning of this relief work. Apart from this Hotel like Surya Palace has also supported us through providing food material.
Through this relief work -

112 Pregnant Women
180 Adolescent Girls
has benefited with Special Nutrition Kit
&
3100 Poor & Needy Families
9200 Migrant Worker
has benefited

Local media has supported this relief work through their journalism.
These are some clips of Hindi newspaper.
