Objective :

- Linking the children deprived of education to the mainstream of education.
- Teenage education And their empowerment and leadership development through women's self-help.

Background: The ancient city of India is famous for the Varanasi Banarasi saris and weavers all over the world. But very few people know that the economic social and educational status of weavers who show the art of their hands is not very good. Most weavers who work for weavers are illiterate and very poor. Some weavers who make Banarasi saris Decided to connect the children working in marginalized workshops and weaving and child labor to the mainstream of children. Come early education Rajatalab was in 1994. that Weavers making Banarasi sarees are constantly working for the last 26 years in the direction of connecting the mainstream of the disadvantaged sections of the people living on the margins.

Asha School started in the evening with informal teaching center in the evening with four children of weavers family in Nagepur village in the year 1994. Thereby inspiring the other weavers young fellows another village also started to teach children in their village.

It is notable that when Asha started education in Nagepur, then the village was struggling with complex problems like illiteracy and bondage wages. But Asha gave a new dimension to his efforts in twenty five years, under which there was a positive change in education and education among children and adolescents and the children also got rid of the brutal tragedy like bonded labour. There is active participation in other issues such as gender discrimination, women's violence, women's leadership, women's empowerment, teen education , gender equality, gender justice, human rights, environmental protection.
Current activities operated in Asha Rajatalab:

Coordinate work of ASHA Trust & NJSS: This year under the project of ASHA Rajatalab Varanasi & NJSS we have prepared and implemented our plan. Meeting with teachers and workers were organized every month. At every centre like ASHA School, Self-help groups, Girls sewing centre, we organized meetings for planning, their implementation and evaluation regularly on monthly basis. Under this, the main work was to report ASHA Chicago/Austin Chapters and accounting of whole project. The following works has been done during the period so far:

1. **ASHA Samajik Vidyalaya (ASV):** At present, under ASHA Rajatalab and NJSS project, one permanent center in Nagepur village is running with a strength of 205 students (Last year count was 195). In the month of April’19, a new session has been started and essential arrangements like study material for students, appointment of teachers, purchasing of books and notebooks and other school-related arrangements were made. This year the “Asha Social School” has been registered officially with Government affiliation under the Right to Education Act. We have started the next level class also from this year i.e. class 6th onwards. Teachers were given training and the celebration of school festivals were done responsibly. Following steps has been taken this year –

   - In the New Session of School (April’19) – in Preschool (LKG) 80 Students & in Class 6 -18 Students has taken Admission.
   - We have also started teaching practice through Computer classes & kids play.
   - We have also formalized the dress code policy after discussing with the parents also & now all students are wearing School dress only.
   - we have changed the govt Syllabus School Books now.
   - Various School Functions has been celebrated like Independence Day, Republic Day, Gandhi Jayanti, Childrens Day and other religious & Social events.
• Regular knowledge session & debates is being organized for students on Various topics like Gender issues, Human rights, Child rights, Domestic Violence & other Social Issues.

2. **Asha Library for students:** In the currently running Library of Asha School Children from LKG to college & about 250 poor children from other nearby schools hare also its member. Making availability of books in the library and regular communication with children were the major responsibilities. From time to time, training programs were organized on their education, career and other social issues. Highlighting few major achievements below here –

• Three Students studying from this Library has been selected in the Government Jobs.
• R & R Program has been held for the student qualifying in the 10th & 12th class Exam with Good Score.
• Painting Competition was also organized for Asha School Student & Good Paintings were rewarded also.

3. **Kishori Sewing Center & Training Program:** At present, a total of 9 Sewing & Vocational training centers are running, in which around 189 teenage girls above age of 14 years are learning the sewing, embroidery and getting educated. Responsibilities for operating of these centers, such as monthly meeting with the teachers of Kishori center, contacting the girls, arranging sewing machines and other important things was carried on successfully. Teenagers were also trained on leadership development twice. Highlighting few major points below here

• Various Trainings on Self defence, Health, Domestic Violence, Girls rights & Empowerments were also given, which is now helping & leading the girls to express their View point’s clearly on their issues in more open way & also Standing against the miss treatment done with them
• At present 40 girls who were provided training from Asha Vocation training Schools are now running their own Sewing centers making them Self dependent
• Celebration of “Balika Mahotsav” was organized at all these 9 Centers where mass meetings & Debate, Cultural program & Rally was also organized on girls rights, Domestic Violence & drug addictions & other issues.
• These Girls from Various Centers were also made to visit the nearest Police station where they have been educated on various helpline numbers & their Constitutional rights by Local Police In charge.

4. **Awareness Program on Health and Menstruation for Teenagers** : This year again awareness program was organized for the girls of the teenager centre and women from villages, on their health, especially on menstruation. Various meetings, trainings and workshops were organized on the topic of menstruation at all the teenage centers and the girls were made aware. Cotton Sanitary Pads are also being made by the girls at selected centers.

5. **Kishori Summer Training Program** : Teenage summer training program was organized from 15th May to 15th June 2019, in which about 81 adolescents has participated. In the camp, training was given for computer work, handicraft, beautician, martial arts, dance, painting, scooter or bike running. The main responsibility for the operation of this camp was mine. I had responsibilities like arranging teachers, purchasing training goods and making plans with the help of everyone.

6. **To Conduct Education & Training Programs For the Youth** : The work is being done with the youth of six villages, by discussing with them for their education, career, gender equality and unprotected Pregnancy, Domestic Violence & other issues. A significant improvements can be seen in these youth in respect to the above mentioned topics.

7. **Women Self Help Groups (SHG)** : At present, 81 women self-help groups are running, with a strength of more than 2000 women. Every month the money from groups is being deposited and women are trading among themselves as per their need. The saving of all the groups collectively is close to fifteen lakh rupees (1.5 million). Training of group
operations was given to the officers of these groups. At the same time, the upcoming plan was made by meeting with them and fellow workers from time to time. In order to empower women in these groups, training programs were organized on issues such as violence against women, women's rights, their participation in Panchayat, and also participated in various events organized by them.

8. **A Dowry Free Group Wedding** : This particular program got cancelled this year due to National Election happening in India, due to which the permission to held the Event was not received.

9. **Anti-Coca-Cola Movement** : For the last 15 years, the movement has been going on for the demand of bringing down groundwater exploitation and the pollution against the Coca-Cola factory located in the Mehadiganj village of Varanasi district. Last year, the movement got historic success and on June 6, 2014, the Uttar Pradesh Pollution Control Board ordered the closure of the factory of Coca Cola. The Coca-Cola Company then appealed against this order in the National Green Tribunal but they completely shut down the new plant made by Coca-Cola with a cost of 235 crores. Also, the debate is still going on the issue of the old plant. Last year, the demand for closure of the company, by preparing comprehensive reports and complaint letter, was sent to the government. In relation to which there has been demand for information by introducing an RTI from several departments. A number of protests and mass movement has been organized with the help of nearby farmers and people agitated by the company.

10. **Participation in the programs of Sajha Sankriti Manch & NAPM** : There is a common platform for about 65 Social organizations in Banaras district known as Sajha Sanskriti Manch And NAPM. Various events were organized from time to time by the forum such as Protests against government and administration on issues of rights to education, corruption, human rights and violence against women in the form of street plays, education meetings, seminars were organized, in which I always ensured my active participation.
11. **Educational Tour Program:** In the Month of February a Educational tour program was organized for the Students of ASV & Kishori Sewing Centre girls where they were made to visit Sarnath Temple, St. Mary’s Church & Govt. Handicraft Museum.
