Hey folks,

Navjyoti's annual budget was recently passed with unanimous votes. Thanks to everyone who voted. However, there have been two new developments and we have to vote on adding both of these additional items to the annual budget. **Please respond to this email by Sunday June 5th with your vote for both the budget items below.**

**Budget Item #1:**

Earlier this week (4 days ago), there was a strong storm in Varanasi and that damaged Navjyoti's school. The roof above the kitchen, storeroom, bathroom and a cow-shed was blown away. Vikram has been in touch with Nandlal ji to understand the extent of the repair needed. **The estimated expense is Rs. 44100 (INR) or approx. \$669 (USD). The itemized expenses are given below (and attached). Please vote yes/no to support this repair work.** We are also in touch with Asha's central team to facilitate this repair work using the central disaster relief fund once we approve this work. [See photos of damage.](#)

ASV Nagepur village school damage repair estimate  
(Damage was due to thunderstorm on 5/28/16)

dated 5/31/16

	Repair expenses (Rs.)	Total
1	Corrugated cement sheets 20 (Rs.750 ea × 20)	15000
2	Iron pipe 120 feet	6000
3	Iron hooks	1000
4	Bricks 1000	7500
5	Cement 5 sacks	1600
6	Ballast and sand	2000
7	Water supply pipe 100 feet	5000
8	Wages	6000
	<b>Total expenses</b>	<b>44100</b>

**Budget Item #2.**

In addition to running the school, Navjyoti also facilitates a lot of NREGA (National Rural Employment Gurantee Act) and RTE (Right to Education) related social work. There are two key people who are spearheading this work and we supported their salaries last year. I had been pushing them to find another source of funding so that they don't depend entirely on Asha Chicago to support their growing operations. They have made considerable progress over the last year but have not been able to secure non-Asha funding yet. So we need to vote if we should support them for another year. A summary of their budget and progress is given below (details attached). Compared to last year, this is a 10% increase on last year's salary for these two people to account for inflation. **The total is Rs. 208,800 (INR) or approx. \$3164 (USD). Please vote yes/no to support these additional items.**

- RTE and NREGA coordinator's salary- Worker's union (Suresh):  
Rs. 7700 x 12 = Rs. 92,400

- RTE and NREGA coordinator's salary- RTE/RTI outreach (Mahendra):  
Rs. 7700 x 12 = Rs. 92,400

- Office rent: 2000 x 12 = Rs. 24,000

Total: Rs. 208,800

**RTE/NREGA progress summary:** (a) Folk music program was organized for women to spread awareness about RTE/NREGA, (b) Outreach work has positively impacted about 3000 villagers and helped them get the due NREGA support from local government, (c) 500 villagers were registered with the labor department out of which 200 villagers have received bicycles from the government, (d) numerous public activities to spread awareness about RTE and NREGA were conducted.

Let Vikram or me know if you have any questions.

Thanks,  
Chandan
