Dear all,

after several revisions with Arunabha we agreed to the final version of the budget for 2022-2023. Please find it attached together with a comparison file. The budget is ~5% higher than last year, mainly due to a higher number of pupils at higher classes and salary increases. I convinced Arunabha to reduce salary rises by half and remove a new fixed cost related to organization of sport activities.

The budget now is 19,46,100.00 INR (~24.1 kCHF) and last year was 18,44,400.00 INR (~22.9 kCHF).

Arunabha also addressed several points which we discussed during our last meeting.

- Previous house mother left for another Sabuj Sangha project. She was immediately replaced by other worker so there's a continuity on this position.
- Spending from last year was provided. On the SharePoint here: https://www.dropbox.com/scl/fi/xyk6xqb3qhoo3t1vt6wia/FUC_Natun-Aalo_2021-22.xlsx?dl=0&rlkey=84d0mqdya15093lki551omtuk.
- There's an increased number of children in higher classes for which we sponsor stay in Natun Alo while they continue their education. That is mostly responsible for the budget increase.

Please send your email in return with a message **Yes/No/Abstain** which we could count and document the voting. Please send your answers till tomorrow afternoon. Thank you very much in advance and I wish you all a pleasant day.

Best regards,
Michal
