

Annual Day Celebrations 2026

Asha supported Annual Day celebrations in 129 government schools across Tamil Nadu this year. From offering prizes and snacks to participating with the students, Asha actively engaged with the students.

ANNUAL DAY CELEBRATIONS 2025-26

You may view the album [here](https://photos.app.goo.gl/MgRfYcM6ycbPbA3U9) (<https://photos.app.goo.gl/MgRfYcM6ycbPbA3U9>).

At Asha, joyful learning isn't just a philosophy, it's a lived experience. From Sports Day to excursions and Annual Day celebrations, we create moments that go beyond textbooks and classrooms. These events open doors for children to discover themselves: while some excel in academics, others find their spark in sports, dance, drama, or music.

By offering such diverse opportunities, we nurture confidence, teamwork, leadership, and emotional intelligence. These experiences don't just entertain, they ignite curiosity, creativity, and a love for learning that lasts a lifetime. True education, after all, is about shaping the whole child – mind, body, and spirit.

This year, Asha supported Annual Day celebrations in 129 schools across Tamil Nadu. While government funding provides a base, it falls short of covering the full costs. The school teachers and local villagers also donate to support the function. Asha also bridges this gap by providing schools with prizes, snacks, and support that make these celebrations truly memorable. Thanks to contributions from Amazon and Asha's own budget, thousands of children experienced the joy of performing, participating, and celebrating together.

These moments of laughter, applause, and discovery are not just events, they are milestones in building a brighter, more holistic future for every child.

Thiruvallur – Project Sangamam

Sangamam in Thiruvallur is one of our largest projects. Here we supported annual day celebrations at 77 schools. Asha project coordinators organized the prizes and snacks for the students. Asha teachers along with coordinators participated in the celebrations alongside the students. Mr. Rajaraman, Asha Volunteer and Coordinator also had an opportunity to visit and be part of some of these schools during their celebrations.
