Subject: Proposal for funding support of female workers through training.

1. DETAILS OF PRESENTLY CONCEIVED PROJECT

(A) Detailed Location of the Proposed Project with Address & PIN:

Address: Village – Kankura Masat, P.O. – Masat, P.S. – Diamond Harbour, District – South 24 Parganas, Pin – 743375. West Bengal, India.

(B) Background and need of the Project being proposed:

Covid 19 second wave has impacted Indian lives once and on the average 400,000 plus people are getting infected every day.

Bengal count of infected residents is around 20,000 every day.

With the increasing number of infected people, life has literally come to a standstill.

This can lead to lockdown and economy can get negatively impacted once again.

However, even if lockdown is not declared, increasing number of covid cases are leading to lack of presence at work place , leading to job loss.

KMSWS plans to initiate a program for supporting residents of KMSWS area of Diamond Harbour area and South 24 parganas.

As part of providing support to residents, KMSWS plans to launch multiple programs to encompass various issues at hand

- a) Providing vocational trainings like tailoring, beautician and computer training to enable earnings for Higher secondary passed women to prevent early marriage& trafficking and dropouts.

(C) Point-wise Specific Objectives of Proposed Proposal:

Table 1: Specific Objectives of the Proposal

Sl. No.	Specific Objectives
1	Support eligible women through vocational trainings like beautician courses, computer courses and tailoring to enable earning and prevent early marriage, trafficking and dropouts

	(A)	(B)	(C)	(D)	(E)
1	Beautician training (per annum)	12 months	1	20,000	240,000
2	Tailoring	12 months	1	20,000	240,000
3	Computer	12 months	1	20,000	240,000
	Total (Seven Lac Twenty Thousand only)				720,000

Table 7: Total Costing 7,20,000/-

Total grant seeking INR 720000.00 (Rupees Seven Lac Twenty Thousand only)

(J) Explain the Outcomes/Result expected out of the project –

A. Quantitative Outcome Expected:

(a) Vocational trainings will enable training 225 eligible women as a pilot

B. Qualitative Outcome Expected:

(a) Vocational trainings will ensure eligible women to take up the vocations , failing which women are forced for early marriage and other social issues

(K) Conclusion:

KMSWS is looking for a fruitful response from Asha For Education to bring about the changes in community as described above. Through these initiatives the community will continue to have standard education and as a result will be able to lead lives with dignity and respect. Their current socio-economic conditions have resulted in a lot of hardships and people are frustrated with the present state of affairs. As an NGO, KMSWS is trying its best to do as much as possible to bring about the desired changes in the community. However, without the support of organizations like Asha For Education it will not be possible to reach the desired objectives. It is our humble request, that you support us and the people of Masat region through your generous assistance. Your grant will not only provide us with financial aid but also be a source of moral support. We sincerely hope that you will consider our request and extend your helping hand.
