

Request from Little Stars School for Providing Computer Education

In order to provide computer education to our students, we request the following support from the Princeton Chapter of Asha for Education for the period April 1, 2026 to March 31, 2027.

We wish to set up a classroom equipped with laptops, desktops and audio-visual aids to teach digital skills to our students.

The cost of the equipment, necessary software and maintenance contracts will be Rs.4,80,000/- (rupees four lakhs and eighty thousand).
