

Revised Covid Relief Proposal from Sangamam – Rajatalab

1. Volunteers at Sangamam Rajatalab wish to support adolescent girls studying at the computer center by providing Health Hygiene Kits. (one kit cost Rs 150/- X 500 Kit). These kits will be distributed to 500 girls (Class 6-8) from school where computer classes are run and includes the 30 girls getting trained in computer center. The kit includes Mask 10 Pc, Soap 2 Pc, Sanitizer 1 Pc, Sanitary Napkins 1 pack. Total amount requested is Rs 150 X 500 Girls = 75000/-
2. Ration Kit for the most needy family (Rs. 750/- X 100 Kits) (Includes Rice, Flour, Pulse, Oil, Soap, Gram, Soya been, Salt, Potato and Herbal Kaadha Pack,) Rs. 750/- X 100 Family = 75000/-
3. We feel that in the 2nd wave, the need is very much changed, we have to work for improvement of basic health facilities. We strongly feel that Registered Medical Practitioners at village level are doing a commendable job to save life's of the poor at a very low cost. But they don't have much facilities and equipment. We wish to honor these medical practitioners as "Corona Warriors" with a gift which includes some safety equipment. We hope that this activity will encourage these fellows to serve humanity in a better way. Corona Warrior's Kit for Registered Medical Practitioners at village level: (Includes infrared thermometer, digital thermometer, oxy-meter, face shield, vaporizer, hand gloves, sanitizer, N 95 Mask, leaflets) Rs. 4000/- X 50 Pc: = 200000/-
4. Miscellaneous: 10000/-

Hence total amount requested is Rs 360000/-
