	Total			773	

Summary

Asha for Education has been providing Computer Science education for 6 Government schools at Mirzapur in UP, since 2023. With knowledge of computers having become an important part in everyone's life now, Asha's initiative to inculcate Computer knowledge to school students, has been well recognised and appreciated. The students in every grade are excited to learn Computers.

Asha has developed a Computer Science Curriculum for the UP Children, which is followed by the Mirzapur Asha teachers to teach the School students

Steward Visit

Each Asha Project's Steward visits the Project's schools periodically during the academic year for various activities and events. Discussions with the school Principals give insight on the needs of the schools. This also gives an opportunity to interact with the students to see what and how they feel about Asha.

Events of 2024 - 2025

Every year, Asha conducts several events for the school students and also for the Asha teachers, throughout the year.

Last year we faced some challenges in conducting some events like oral and written assessments for the school students. The Schools were reluctant to allow us conduct assessments. But this year, we have successfully conducted the assessments in a smooth way.

Stationery Distribution:

Stationery materials were distributed to school students in July 2024.

Distribution in CS Imiliya School

Distribution in PS Patihata School

Oral assessment: [Nov 2024]

This academic year's oral assessment for Mirzapur schools was conducted in Nov 2024. Oral assessments are conducted for English, Maths and Hindi. According to their grade, students are assessed for recognition of letters, words, reading skills etc. The students' personal data are also collected.

Teachers training: Dec 2024

A teacher training programme is conducted every year at Chennai for all our Asha teachers. The Mirzapur teachers are provided for travelling to Chennai to attend and be a part of this programme. The training programme is an event with fun-filled activities.

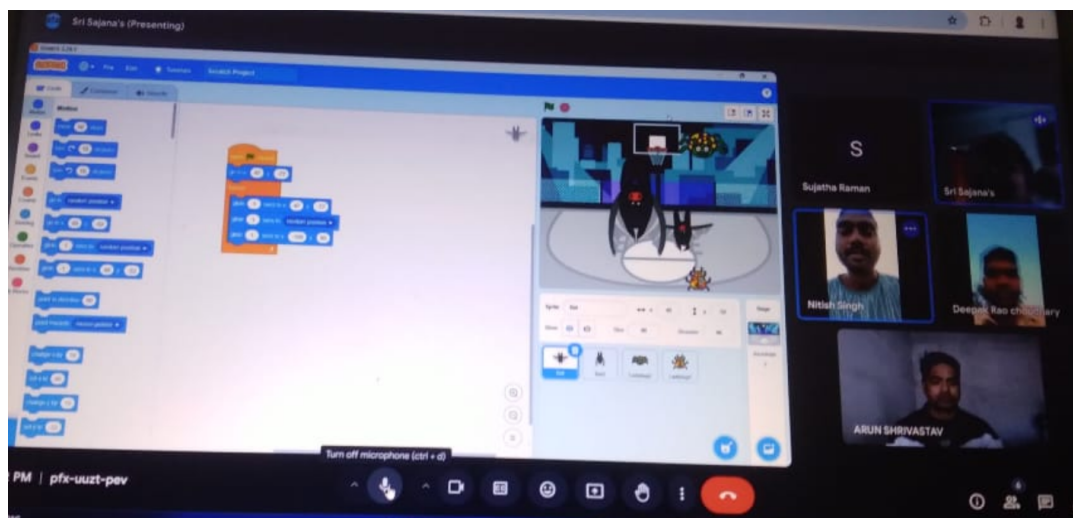

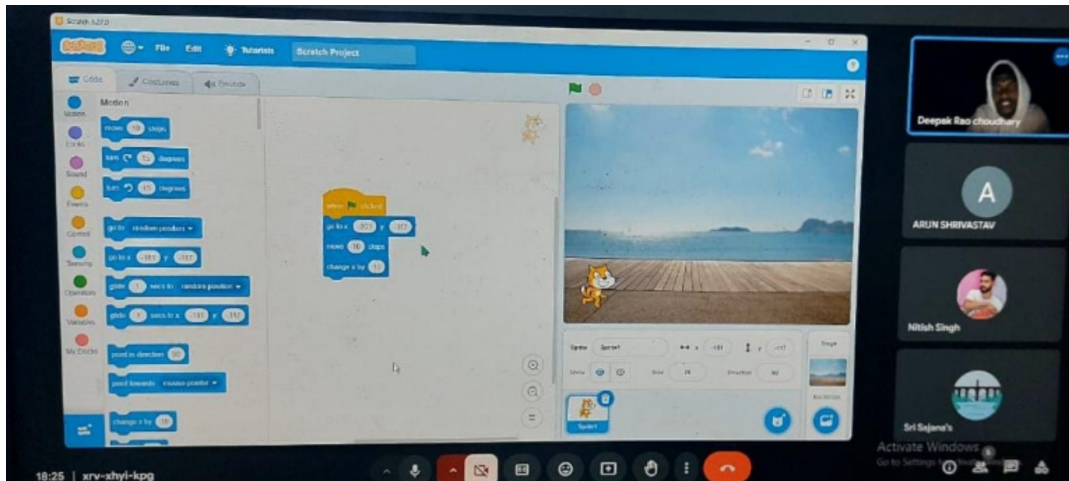

Mirzapur teachers with teachers of other Asha Projects during the training session in Chennai.

Teachers Scratch training Feb 2025

Asha conducts training on Scratch, HTML, Animation, and other programming skills, which will help them teach the students better.

Mirzapur teachers undergoing online Scratch training through Google Meet.

Teachers excursion: [Mar 2025]

Asha facilitates for a yearly excursion for all its teachers. Our Mirzapur teachers went to Nainital for an excursion in March.

Written Assessment: [Mar 2025]

Written assessment for School students in English and Maths. The results of these assessments, will be compared with previous year results and the students' progress can be gauged.

Computer Science Assessment: [Mar 2025]

Asha also conducts CS Assessment for the students. This allows us to understand the gap and provide effective CS education.

CS Assessment at PS Semara

CS Assessment at Imilia

Teachers Talent Test:

Mirzapur Asha teachers writing the yearly Teachers assessment. Asha conducts this assessment for teachers every year, so that the teachers are up to date on the syllabus, and keep improving their knowledge. These assessments also motivate them to perform better every year and not get bored with a monotonous routine.

Asha UP Impressions - Mirzapur: Apr 2025

This year, Asha has started the ***Asha UP Impressions***, and this will be continued and conducted every year. Students from all Asha schools in Mirzapur created Presentations using Open Office Impression. For the presentations, students form groups of 4 or 5 students in each group and each group submit their presentations for the selection process.

Of all the presentations initially submitted this year, 14 Presentation Projects were selected by our internal Selection Panel, for the Prize-winning final round.

Presentation by Class 5 Students of PS Patihata on ***The Human Body***.

Presentation by Class 5 Students of CS Imilia on ***How Honey bees prepare honey***.

The final show was conducted on 08-Apr-2025 and 09-Apr-2025. All the selected 14 Projects were presented to external selection committees. The best three were chosen and prizes awarded – certificates and Cash Prize to each student of the winning group.

Presentation by Class 4 Students of PS Baghedi on **Solar Family**.

Presentation by Class 5 of PS Semara on **Right to Vote**

Prizes for the presentations were distributed. The first, second and third prizes were given for the below Projects:

First Prize: Importance and Method of brushing teeth –School: CS Kamalpur

Second Prize: Solar Family – School: PS Baghedi

Third Prize: Right To Vote – School: PS Semara
