The new school building is ready and classes have begun. The classrooms are airy, well lighted and very pleasant. It is a good design. Local artists have made beautiful Murals of Warli and other paintings. Good apartments for the teachers are also constructed. This will allow SPT to attract good teachers. Very detailed report of the activities is prepared by SPT and I am not repeating the content. Please refer to the detailed report prepared & attached. SPT is focusing on improving the Quality of education.
