To

Sree Lalit,

Dear sir,

Sorry for delay due to busy schedule of Vasundhara.

This busy schedule is actually the success story of Vasundhara activities.

In the second week of February SOW program was over due to different examinations in the schools. But after that Vasundhara team was engaged in preparatory work of Science Day celebration. The second Vasundhara Science Day festival was held in the Malvan city. Nearly 800 students, parents were present for function. Dr.krishnmurti, Mr.Kulkarni (Scientist from TIFR) were chief guest for the function.

In the March Vasundhara team was engaged in holding District level Talent Search Exam. result of this talent search program is encouraging in 2008-09 year 22 students were selected in the Sindhudurg District at State level NTS Examination. Kunal Marathe from Devgad Taluka stood first in Maharashtra. They under went rigorous training of expert teachers of Vasundhara. 11 students secured national Talent Scholarship.

This year(2009-10) Vasundhara had undertaken training program on taluka and district level. 23 students were selected in state level examination. Ramprasad Thakur from Malwan stood 2nd in the Maharashtra. They are undergoing training from 14 April to 6 May 2010.

Vasundhara had arranged training camps for Bal Vaidnyanic competition. In 2009 one student was selected as Bal Vidnyanic. This year three students were selected as Bal Vaidnyanic. Shubham Naik won gold medal whereas Kunal Marathe and Mandar Hulji secured silver medal.

National Talent Search program was extended to Ahmadnagar District. 2 students were selected in NMMS examination (Scholarship for students below poverty line). Vasundhara team is requested to carry out the same program in Goa state also.

As regard SOW program Vasundhara had visited 67 schools. List of all schools is send herewith. 4 teachers were appointed. We hoped to complete at least 120 schools but two of the teacher left for job . We were unable to get teachers even after giving advertise in newspapers, many times.

Now 4.5 Acres of land is in possession of Vasundhara on 99 years of lease. Construction of Eureka hall, Canteen and Residential building of nearly 6,000 sq.ft. costing 60 lacks, is nearing completion. We have provision of 50 lacks. The rest amount of 10 lacks has to be raised.

We request you to visit this project and guide us.

We had received first installment of Rs. 83,467/-. Thereafter we have not received any amount. Kindly arrange to send 2nd installment as we are badly in need of money.

Thanking you,

Yours Faithfully,

C.B.Naik
