Spoke to Lakshmi at Seva Chakkara. Orphanage was not hit. They are trying to help Pattinapakam which is near them and on the Marina. This area appears to have been worst hit in Chennai. The few volunteers there may be able to help with the reach out.

Suma's conversation with Mr.Velayudham of Seva Chakkara – 12/29/2004

Seva Chakkara is helping the following affected areas in Chennai :-

Kalpakam area , Ayodhya Kuppam, Urur Kuppam, Olcot at Adayar
with Plastic pots/buckets for water, medicines, mats, rice, temporary stretchers

Since there is an overlap with what Seva Chakkara is doing and Asha Chennai volunteers are doing, they will asked to coordinate and collaborate their efforts.
