Below are some general questions regarding the project. Since your feedback is valuable to us, please make your answers as **detailed as possible**.

Please tell us the progress of the school in the **last 6 months** (usually from April to September of the current year based on typical April 1 – March 31 school year in India)

We are able to admit children in the month of June for mainstreaming them in formal education. we are able to get the good relationship with school authority for school enrollment. Teachers are reporting the defaulters and dropouts in the community to teachers of the kaingkarya

How do you think the school has improved in the **last 6 months**?

Slowly we are increasing the student in supportive education s and reducing the number of children in well as transit school children

What are the problems you have faced in the last 6 months?

- The transit school children for referred for hostel came back with out continuing the education . They were unable to adjust with hostel atmosphere for children.
- The fund sanctioned by Asha was released only in the month of June which led to problems like staff not being paid in time, the full fledged feeding programme is changed into supplementary feeding .

How would you rate the overall effectiveness of this project over the **past 6 months**?

Children are attending our supportive education classes regularly. There is a change in the attitude among the children about education.

Please give examples of activities at the project in the **last 6 months**. Please give details.

Enrollment campaign in the community, enrolment of the children in school, competition for children parents meeting for every month, kollu celebration, children's day prg, With the help of well wishers we are able to organize various programmes for the benefit of the children

Please explain how Asha funds were used in the **last 6 months**.

Day care center teacher salary and transit school teacher salary , enrollment campaign and awareness prg in community .

Is there any other feedback you would like to provide to Asha for Education?
