2.0 All refurbishment work has been completed as planned with financial support from ASHA. Additional Rs 60,000/- was requested for part of an additional work that came out later. This was put in the 2019-2020.

3.0 Kashi Hazarika, ADI EC member worked with the Lions club and organized a preliminary meeting of the JSVN school Principals with the local Training Institute in December. The intent was to assess the level of training required for the teachers. Unfortunately, this meeting has to be postponed due to current unrest in Assam. It will be rescheduled in February/March 2020.

4.0 The school enrollment has reduced a lot, except for the Basistha school where the enrollment has rather increased. The reasons for this reduction are being explored by the EC members. The current student is around 220-230.

5.0 The school coordination work is currently being affected due to continued illness of Dr. Tarun Ch Sarma over last several months. He is now undergoing treatment and is expected to recover soon. Our Best Wishes to Dr. Sarma for a speedy recovery.

6.0 A more detail report will be prepared during Hiren Sarma's visit in May'2020.
