"Notes to Accounts" forming part of Accounts for the year ended 31st March, 2021.

# 1) Major Accounting Policies:

- a) The Accounts are prepared in accordance with the generally accepted accounting principles. Incomes are recognised as received and expenditure as and when spent except for provisions relating to audit fees, prepaid expenses, accrued interest on fixed deposits and bonds and income tax deduction at source.
- b) Grant in Aid / Endowment Donations towards specific expenditure is accounted on receipt basis, except in instance where receipt thereof, after the end of the accounting year, can be ascertained based on facts.
- a) Depreciation has been provided for on same consistent basis at the rate of 15 per cent on Furniture & Fixtures, 25 per cent on Audio Visual and other equipments, and 40 per cent on Computer Installations, applied to written down values. No depreciation has been written off on immovable property.

While depreciation on additions is calculated for the full year irrespective of the date of purchase of asset, no depreciation is computed in the year of sale.

- c) Depreciation on value of items of fixed assets acquired and capitalized out of grant in aid / endowment donations received for the purpose, from funders of projects carried out by the Trust, is charged to the Endowment Fund and correspondingly credited to the Income and Expenditure Account.
- d) All investments are stated at cost.
- e) No provision has been made towards payment of gratuity and Leave Encashment, if any, and the same shall be accounted for on payment basis.
- f) No Provision for Income Tax is considered necessary as the Trust is registered as a Charitable Institution under section 12A (a) of the Income Tax Act , 1961 and the Trust has fulfilled the conditions attached to claim exemption under section 11 and 12 of the Income Tax Act.

2) Trust receives grant in aid / endowment donations to undertake specified projects which are within the scope of its objects in the Trust Deed. The Trust recognises such grants / donations on a systematic basis, over the financial period, in its Meleveled mulinger Income and Expenditure Account to match them with related expenditure which they are intended to compensate.

"Notes to Accounts" forming part of Accounts for the year ended 31st March, 2021.

- 3) The balance unapplied grant in aid / endowment donations, if any, at the completion of the project is refundable to the funders, unless a specific directive is received to retain the balance. Only on receipt of such specific direction, such amount is accounted as income of the Trust
- 4) Interest earned or accrued on deposits as well as balances in respect of funds received as grant in aid / endowment donations towards specified projects are accounted for in the books of the Trust and not in the respective project, unless a specific direction is received otherwise from the Funder. This is based on the managements understanding that interest earned or accrued is not part of the projects' receipt but arises due to the fund management policy followed by the Trust and that the funders do not expect this to be spent towards the purposes of the project.
- 5) Value of items of fixed assets acquired and capitalized out of grant in aid / endowment donations received for the purpose, from funders of projects carried out by the Trust, is reflected as Endowment Fund on the liability side of the Balance Sheet.
- 6) Previous year's figures have been re-classified and re-grouped wherever necessary to conform to this years' classification.
