Support a Child’s Education

Dhananjay, Jubin and Dipika are from poor families of the remote villages of Assam Baksa district. They have successfully passed board examination last year. They want to get higher education for which they joined Senior Secondary School among many financial difficulties. Now they need support for tuition, uniform, travel, books/stationery and hostel fees to continue their study. It would be great if you could support them.

Fund requirement mentioned below -

- Dhananjay Das  40,000/-
- Jubin Rajbongshi 25,000/-
- Dipika Devi  25,000/-

Their fund requirement was more than the above but we will advise them to also look for other sources.

Updates from the scholarship holder of last year:

Nakul Mandal, Nirmala Barman, Janaki Devi and Roshan Kharka have completed the courses of class 11, they gave annual exams and got promotion to class 12. They are preparing for the final exams of class 12 which will be conducted by Assam Higher Secondary Education Council. So they are very sincere this year and serious for their reputation too.

They are bit unhappy with their result of class 11 annual examination which was conducted by own schools.
