FIELD REPORT

Visit to Ashadarshan, Tamulpur:

Reached Tamulpur at around 9 am on 11th Aug, 2018 (Saturday) by car. Had breakfast at the office and visited the following Centres.

**Weaving Centre:**

(a) Due to paucity of fund Theory and Practical classes could not be started.
(b) Lady workers of nearby areas are not willing to joint due to paucity of fund.
(c) Quality threads are not locally available. Hence, Ashadarshan has to buy the same from Rangia and Guwahati thereby resulting in more transportation costs.
(d) Lack of proper Infrastructure and Electricity is the major hindrance in day to day production.
(e) They are still using the outdated weaving machine which is not able to meet the demands of the present market. They must be replaced with modern Jackquard machine.

**Tailoring:**

(a) There must be proper demarcation of the boundary and boundary wall must be constructed.
(b) The Tailoring machines needs to be updated with new machines to generate more employment.
(c) Deep boring for pure drinking water is required.
(d) Needs to recruit more employees to supply bulk orders of SSB, ARMY, POLICE etc.
(e) The entire premise needs to be extended to accommodate more employees and machineries.

**Schooling:**

Simliguri M.E. School (Bodo Medium):
(a) Visited the Simliguri M.E. School (Bodo Medium) at Simliguri (Bogajuli), P.O. Kalipur, Dist: Baksa, Assam, Pin-781360.
(b) The boundaries need to be demarcated and boundary wall also needs to be constructed.
(c) Needs Electricity connection with proper drinking water facility.
(d) Upgradation of existing school building along with false ceiling.
(e) The Kaccha floor of the school house must be upgraded in to a Pakka floor.
(f) Timely Salary for the Teachers.
(g) School also needs Computers as well as Computer Instructors.

**Devinagar Primary School:**

(a) Visited Devinagar Primary School at Devinagar, P.O. Sesanpani, Dist: Baksa, Assam, Pin: 781360.
(b) Needs Electricity connection with pure drinking water facility.
(c) Upgradation of existing school building along with false ceiling.
(d) The Kaccha floor of the school house must be upgraded in to a Pakka floor.
(e) School also needs Computers as well as Computer Instructors.

**Satyanarayanpur Ashajyoti Primary School:**

(a) Visited Satyanarayanpur Ashajyoti Primary School at N.K. Angarkata, P.O. Sesanpani, Dist: Baksa, Assam, Pin: 781360.
(b) The existing school house is in a dilapidated condition and badly needs renovation along with false ceiling.
(c) Needs Electricity connection with pure drinking water facility.
(d) School also needs Computers as well as Computer Instructors.
(e) The connecting road to the school needs to be repaired.
(f) The Kaccha floor of the school house must be upgraded in to a Pakka floor.

This concludes our Field Report of the Ashadarshan projects in Tamulpur, Assam on 11th August, 2018.
