ASHA FOR EDUCATION, USA

The prolonged lockdown of Covid- 19 put deep effect on the children's nutrition and education action of ICDS. After long closer when the ICDS center re-opens the nutrition action started again. But from the very beginning the education part of the children is being neglected. Still now no changes have been noticed in the system. In our intervened village the community requested us to do something for the education part of the 3 to 6 yrs. (pre-primary level) children. Considering the matter we initiate 5 School in Bag namely 'Aloke Kendra' (pre-primary TLM base learning center) by the help of our existing hygiene educator.

TLM base Activities for Group –A.

1. Primary work: -

Making garland, Shorting seeds, setting seed along the outline of the picture.
