About Us

MITHRAM, is a registered Charitable Society, owned and governed by the parents of the mentally challenged children. MITHRAM, came into being in 1993, with the avowed aim of taking care of the mentally challenged children and affording them protection, education and vocational training. Situated about 20 km. from the city of Kochi, in its own campus of around 2.75 acres, nestling amongst natural greenery, MITHRAM, at present houses separate residential care homes for boys and girls, special school and a vocational training centre cum sheltered workshop. MITHRAM has its own counselling facilities. MITHRAM is at present managed by a team of dedicated parent representatives and trained staff. MITHRAM carries out its day to day and developmental activities through donations and aid from Well-wishers in India and abroad. MITHRAM today is a dependable shelter for the mentally challenged children who have lost their parents or whose parents are too old to look after them.

Our Mission

A Happy Home

Children with varying degrees of mental disabilities like Autism, Cerebral Palsy, Mental Retardation, Multiple disabilities etc, are among the most disregarded and ill-treated, either on account of ignorance or social taboos. It is an established fact that systematic rehabilitative measures can bring back these special children into the mainstream of the society, provided the symptoms are identified sufficiently early. MITHRAM was founded with the sole aim of providing shelter to these children, by identifying them through special early intervention agencies/survey.

Future Ahead

A Friend in Need is A Friend in Deed

MITHRAM has ambitious projects for developmental activities:

- ☞ Parents' Apartments
- ☞ Old Age Relief Home
- ☞ Play Ground
- ☞ Swimming Pool
- ☞ Computer Education

- ☞ Parents' Awareness Camps
- ☞ Teachers Training Programme
