

Distribution of face masks and hand Sanitizer in tribal community of Chandauli and Sonebhadra District of U.P. as preventive measure to break the chain of Covid -19 in the communities.

India is seeing a tsunami of cases and deaths under the deadlier second waves of COVID-19 pandemic. Upto date around 4.0 lakh fresh cases with around 4000 deaths are being recorded per day take up the caseload to 21 million. It is observed that more than 80% new cases come from 10 states including Uttar Pradesh. Around 25000 new cases with 1200 deaths per day are recorded in the U.P. Now the new strain of COVID-19 is spreading in the villages of the states U.P. Even our 3 School teachers have affected with covid-19.

Keeping in view the prevailing situation, VARUN , Naugarh has further decided to distribute face masks, face shield (only for worker/teacher), bath soaps and hand sanitizer in project villages where our educational centres are operational. This will keep the school children, teachers and villagers protected from covid-19. Besides, our school teachers shall be trained virtually about spread of new strains of covid 19 and about protective measures so as they could aware and motivate the village people about the covid-19.

OBJECTIVES

- 1-To aware & motivate the people of project villages about covid-19,
- 2-To distribute the masks, bath soap, face shield (only for staff) & sanitizer among the people of project villages and
- 3-To break the chain of community spread of new strain of virus.
