Visit to Tapovan School –9th May 2004

I met

Anurag – Monika's husband – employed by Cadence

Narandera – employed by R-Systems

Kapil – employed by Cadence, and was instrumental in setting up the earlier school which tapovan runs with RMRC.

Rajendra

- Most of the children introduced themselves with their drawing books.
- Book distribution to standard 1 children.
- Toffees given to children
- Poems recited by children and Narendra – Priya who was totally shy during introduction kept coming up to recite poems.
- Area around the school needs to be cleaned – 'gobar liypai' (cow dung plastering) initiated – responsibility given to a couple of children – Mohammed the eldest of all would coordinate the activities. Six children volunteered to carry out the task.
- Personal hygiene would be looked into.
- A dustbin to be provided.
