

# **GLOVIS SANGAMAM PROJECT REPORT - FEB 2016**

---

Glovis Sangamam project is continuing to support the 8 schools in Thiruvallur Dist. Here is a report of the various activities that took place during the month of February 2016.

## Materials for children and the school

All the materials were transported to the schools. On Feb 5<sup>th</sup>, 3 volunteers from Hyundai Glovis also attended the distribution at all the 8 schools. We started at 10:00 from Kuppammal Chathiram and ended finally at Placepalayam around 4:15 pm. We gave bags and health kits to the children and also mats for the schools.

## Assessments

Asha Annual Assessments were conducted at all the schools. They started on Jan 28<sup>th</sup> at Gandhigram and finally completed at Kannigaiper (not part of Glovis Sangamam) on the 17<sup>th</sup> of Feb. We are happy to report that this time around we were able to conduct the Assessments properly at all the schools. There was little copying or coaching like we had last time. Correcting the assessments also got completed in February. The analysis and presentation of the statistics from the assessments is in progress. When this is completed we will present it.

## Teacher Training

On 1<sup>st</sup> and 27<sup>th</sup> Feb I travelled to our office at Kaivandur and met with the teachers. On 1<sup>st</sup> Feb the focus was on regular Maths and English. On 27<sup>th</sup> Feb we discussed the assessments with the teachers. Then I am went over some trigonometry with the teachers.

## Blackboard Painting

Blackboard repainting work was carried out at all the schools in the last week of February. All the black board and scribble areas at all the schools have been completed.

## Computer Maintenance, projectors etc.

After the rains the computers at most of the schools were not working properly. These were repaired and made working again in February (as part of the Sangamam Kanini project). Further as part of the Kanini project, we have also given projectors to the Kuppammal Chathiram school. We will also be giving one to the school at Gandhigram in March.

### Upcoming Events

Civil and carpentry works will be taken up at all the schools in the month of March. We will also be buying a bureau, table and chair for the Katchur school.

Excursions are being organized for the 4<sup>th</sup> and 5<sup>th</sup> children at all the schools. They will most probably be done on the 19<sup>th</sup> and 26<sup>th</sup> of March.

Since the elections are announced for the state, the schools are rushing through their annual day programmes. Most of the schools will hold them in March.

We will also be distributing the teacher kits to the teachers in March. We will be giving saree, blouse and an umbrella to all the teachers.
