Notes: Apart from the teachers above, 17 teachers are covered with local funds (Rs. 1,14,500 per month)
Local funds have increased from 11 lakhs to 16 lakhs in the year 2018-19, a significant increase.

If 1000 people covered Rs. 6000 a year, their entire budget would be covered. They are actively continuing to recruit such donors.
In the US this would be $100 a year (or maybe $150 a year to contribute a little more).
Chapters can consider this a way to fundraise - like support-a-child this is contributing towards support-a-teacher.
Each teacher impacts 30 children.
