Site visit done by Mehar Singh (Munich Chapter) and Vallabh (Varanasi Chapter) on 11th Jan 2006.

Arvind Coordinator of Aasra

Evening school in village Jagapur; Number of children between 35-40; age group 7-15 years

Girls: Boys Ratio 2:1

One of the smartest in school

Children mainly from the Mushaar, Kumhar, Bhimdi, Rajbhar and Muslim community.

many of them already drug addict and seems never taken bath

Close up view

Teacher of the school class 10th pass

School in the campus of this house

Varanasi is quite famous for carpets and above houses livelihood is from carpets and one family produces one carpet in one month and get Rs 500-600 per month per carpet.

Another view of the carpet making instrument

Middleman gives them design and keeps close to 90% margin
