For One Great Human Family

Chairman's Message

BWF Homes in Jammu & Kashmir

Borderless World Foundation with a vision to Empower conflict affected children to reach their full potential through education and socio-economic initiatives came up with its projects like B-e-T' (Basera-E-Tabassum) and 'FAH'(Facilitate and Accomplish with Humility) in the state of Jammu & Kashmir.

BWF is working since last 1990s for rehabilitation and socio-economic empowerment of the poor and deprived section of the society in J&K. Today several projects are going on under BWF banner- it is running three Foster Care Homes for the orphan girls in Kashmir Valley as Basera-e-Tabassum, meaning

Abode of Smiles in the districts of Kupwara, Anantnag and Budgam . In 2006, BWF started Project FAH- Facilitate and Accomplish with Humility at Jammu_ for the girls who have been so far living in the migrant camps and faced number of constraints (space, financial, environmental etc). BWF believes that educating children goes beyond making them literate or sending them to school. BWF is resolute about each child enjoying all rights that she is entitled to schooling, playing, developing and pursuing hobbies, relaxing, going out for picnics etc. Moreover, in July 2015, BWF

came up with a project to generate empowerment facilities through vocational trainings _ Sanitary Napkin making, Computer Embroidery, Tailoring, Fabric paint, Chocolate making etc. by starting a Women Social Entrepreneurship Centre as Rah-e-Niswan, meaning Way of Women in Sulokot area of Kupwara district.

Presently BWF is mostly involved in the Development to facilitate an integrated learning environment for the holistic development of children by providing educational opportunities and structured, activity-based learning. Also to provide a space for children to unwind, have fun and explore their aspirations and creative streak through various recreational and socio-economic initiatives. BWF always tries to make Kashmiri cultural available to children through various day-to-day activities and events, to let them explore the option of getting back their roots and learning things that they would have probably done, had they been with their parents.

Today BWF has 180 inmates (55 in Kupwara, 55 in Beerwah-Budgam, 35 in Anantnag and 25 in Jammu, 10 girls are studying in Maharashtra

for higher education) age group ranging from 3-25 years and many B-e-T students are studying in various universities outside valley and living self dependent life.

Every child is receiving quality education and gaining effective services in the areas of health and medicine, academic tuitions, educational tours and annual picnics, nutrition, environment, sanitation, primary education, literacy awareness and skill development to empower themselves economically and to live independent and respected life in the community.

Actual Impact 2002-2012

Infrastructure, Inputs and Student Engagement

- Progressed from one foster Home to four Homes
- Growth in enrollment of children from 8 to 180.
- Increase in Staff from 11 to 30.
- Continuous increase in the number of Volunteers.

Capacity Building

- Initiation of Women Development Centre with four Units.
- Providing photography skills to girls from last one year.
- Providing different skills to children _ card making, chocolate making, puppet making etc.

Co-Curricular Activities

- Organizing Educational Tours for children from last two years.
- Taking children to Annual picnics.
- Working on Personality and Skill Development of children by providing platforms of debates and other competitions.

- *Increased enrollment*
- *Increased Satisfaction of parents/ guardians*
- *Enhanced facilities within Homes*
- *Involvement of corporate / locals*

Age slab of Children according to their classes in all 4 Foster Homes of BWF.

*Age group of girls associated with Rah-e-Niswan,
(Women Social Entrepreneurship Centre)*

Achievements

Central Office, Srinagar

BWF Central office at Chanapora, Srinagar started functioning on 15th April, 2015

No organization worth its name can exist without an office. The office can rightly term as the nerve-centre or brain of an organization, it exercises complete control over the organization. It is its business to take policy decisions, drawing up plans and execute them competently.

It used to be very difficult for BWF- Pune Head office, to bring all its employees on one centre as all its foster homes are located in different districts of Jammu and Kashmir. There was no central location where all can meet and have a collective plan of action. In this regard, BWF started its central office at Srinagar on 15th of April, 2015. The office is located in Chanapora area of Srinagar, opposite to one of the leading Private Hospitals of the Valley named as Florence Hospital. The location of the office is the most ideal, for the city centre is 5.6 Kms away, the airport is at a distance of 9 kms, and the railway station is 5 kms from the office.

The main purpose of BWF behind opening its central office was to provide a workplace and working environment primarily for administration and managerial workers to perform their jobs- preferably to maximum satisfaction with collective interests.

The Office has 4 spacious rooms and one big conference hall in the second story with one washroom. In the third story there are 3 rooms, 1 kitchen and a washroom with lots of support spaces i.e. spaces typically used for secondary activities such as filling documents, taking refreshments, smoking area etc.

According to Leffingwell; “a well- organized office makes it possible for management to plan its operations intelligently, to put its plans into effect surely, to follow their progress currently, to determine their effectiveness promptly, to apprise the results without delay, and to co-ordinate all the activities of the business”.

Through central office numbers of activities are performed as it collects useful pieces of information from different Foster Homes and sources, i.e. internal and external, and records them. It arranges and analyses them and makes them available to the head management whenever needed. It has become the main communication centre, store of records, administrative nerve centre and control centre for BWF Head office.

Thus acting as an information centre or store house or memory centre, all kinds of information, past or present, are available in the office.

Moreover, the Srinagar office has connected the BWF with different government departments, general public and other organizations/corporate by conveying its objectives, policies and programs transparently and without any barrier.

It has also aided management to bring about co-ordination, as the program officers within central office co-ordinates, directs and guides the activities of different Homes and employees effectively.

“Rah-e-Niswan” (Way of Women)

Women’s Social Entrepreneurship Centre
A Project by Borderless World Foundation

A Women’s Social Entrepreneurship Centre in Sulokot area of District Kupwara was initiated on 1st July 2015 by BWF.

The state of Jammu and Kashmir has been facing the problem of unemployment over the past many years which are increasing by every passing day. The number of unemployed youth as per the government statistics is 5.50 lacs, however, this number underestimates the actual figures.

The youth of J&K being educated and possessing degrees prefer to do meager jobs in the government departments because of the problem of unemployment. Presently many of the youths are going in the fields of technical and vocational education which has become the need of the hour. Particularly the female folks putting up in rural areas cannot afford the higher education and go into the field of vocational education.

The rural areas in Kashmir valley lack the availability of vocational training centers and it has been observed that the female folks always continue to look for the opportunities to get better vocational training, but have no other choices.

In this regard, BWF organized a vocational training program in which a group of girls from Basera-e-Tabassum Homes of Borderless World Foundation were sent for trainings to renowned institutions of Pune according to their areas of interests, wherein different trainings were provided to them for three months. Later a centre was initiated called 'Rah-Niswan' meaning "Way of Women", a Women's Social Entrepreneurship Centre in Sulkoote area of district Kupwara, the main aim of which is to inculcate entrepreneurship skills and financial management to help in the effective development of women and provide them a space to bring out their lost innovations and ideas.

The centre provides a safe environment wherein vocational trainings in computer embroidery, tailoring, sanitary napkin making, and fabric paint arts and crafts is provided for community development by the belief that this initiative will provide hope and sustainable employment opportunities for them. At present the unit of Sanitary Napkins Manufacturing, Tailoring Unit, Fabric Painting Unit and Computer Embroidery Unit is functional in the centre.

“Kashmir Life Line”

Critical Care Ambulances
A Project by Borderless World Foundation

The Fleet of Cardiac and Trauma Care Ambulances being launched by Late Honorable Chief Minister of the State on 21st September 2015.

Jammu and Being Kashmir being an accident prone region and road mishaps being a daily occurrence in the state witnessing an increase in the number of accidents, violent incidents and medical emergencies indicates that there is a huge need to deploy critical transport as whenever a patient has care needs exceeding the current emergency medical service standards. We are living in a time when the emphasis on preventing damage is greater than ever; the provision of pre-hospital care will be the key to ensure that the lives are not lost due to avoidable circumstances. In this regard, the thought of EMS in mind of BWF was running from couple of years back but in recent 2014 J&K floods, this acute need to have emergency services in state motivated and encouraged BWF to transform the thought into reality. So, Borderless World Foundation got into action and consulted directorate of health service Kashmir in November 2014 for assistance, guidance and support.

The department of Health services went out of the way in providing assistance which allowed the BWF to raise funds for the critical care ambulance service. After much efforts and hard work, the NSDL e-Governance Infrastructure Limited ('NSDL e-Gov') joined hands with BWF and donate the four Cardiac and Trauma care ambulances under its CSR policy.

On 21st of September, 2015 at 8:00am ambulances were taken to CMs residence after thorough security check and finally, the much awaited launch of Emergency Medical Services (EMS), cardiac and trauma care ambulances (A project by BWF and donated by NSDL) was flagged off by then Honorable Chief Minister- **Late Mr. Mufti Mohammad Syed** from his residence at 9:30 am .

The chief minister was flanked by many dignitaries especially Minister of Health, ARI and Trainings- **Ch. Lal Singh**, Minister of Law, Parliamentary Affairs, Relief and Rehabilitation- **Syed Basharat Bukhari**, Minister of State for Health and Social Welfare- **Asiya Nasqash**, Director Health Services, Kashmir- **Dr. Samir Mattoo**, Mission Director NHM- **Dr. Singh**, Project Director, J&K Aids Control Society- **Dr. Saleem-ur-Rehman**.

National Securities Depository Limited (NSDL) is an Indian Central Securities Depository, based in Mumbai and was founded on 8th November 1996 as the first electronic securities in India.

From everywhere the appreciation for the efforts of the organizations who provided the ambulances were heard from everyone. It was truly a proud movement for BWF.

The fleet of EMS was put into practice at strategic locations where from they could cater to the maximum population and ferry the people in need to the tertiary care hospitals. The locations of the ambulances as decided in the MOU are Bijbehara (Anantnag), Sangrama (Baramulla), Sanatnagar (Srinagar) and Kathua (Jammu National Highway). The staff deputed for these Ambulances had to go for training for 3-Days in order to get an understanding of the equipments fitted in the Ambulances.

All the Ambulances are working 24x7 for the welfare of the general public. The Ambulances to a great extent had helped in saving the lives of patients in emergency, pregnant ladies, accident cases etc.

The total number population benefitted from EMS till January, 2016;

<u>Jammu Region</u>		
S. No.	Activity	No. of Patients Benefitted
1.	Accident Cases on Jammu Highway	7
2.	Ferrying Pregnant Females	3
3.	VIP Escort/ Movement	3
4.	Other Emergency Cases	13
5.	Deaths during Shuttling Patients	NIL

<u>Kashmir Valley</u>		
S. No.	Activity	No. of Patients Benefitted
1.	Accident Cases on Jammu Highway	11
2.	Ferrying Pregnant Females	17
3.	VIP Escort/ Movement	7 (including PM's rally)
4.	Other Emergency Cases	18
5.	Ferrying VIP	2
6.	Deaths during Shuttling Patients	NIL

Golden Feather

BWF, CHINAR and TISS team with star winners of Business Plan Competition on 2nd January, 2016

CHINAR International, a leading Non Governmental Organization working effectively on educational and socio-economic initiatives for children and youth in the Kashmir Valley, in collaboration with Tata Institute of Social Sciences (TISS) initiated a Business Plan Competition on 2nd January, 2016 for marginalized young entrepreneurs of Kashmir valley for its Business Incubation Centre. The business proposals were invited and our girls_ Mehaza and a team of Mubina and Musharaf from Women's Social Entrepreneurship Centre (Rah-e-Niswan) also submitted two proposals, one of Computer Embroidery Unit and other of Sanitary Napkin Manufacturing Unit.

In response to the business proposals invited, one of our girl-child Mehaza presented her proposal on Computer Embroidery Unit and another team of girls, Mubina and Musharaf presented a proposal on Sanitary Napkin Manufacturing Unit.

Both the proposals got in and bagged the 1st and 3rd positions respectively. The 1st position was bagged by Sanitary Napkin Manufacturing unit and 3rd by Computer embroidery unit.

The girls were awarded with Trophies by Prof. Satyajit Majumdar of Tata Institute of Social Sciences (TISS)

It was a proud movement for Borderless World Foundation who initiated the project Rah-e-Niswan. It is the project where a group of girls from Basera-e-Tabassum Homes of Borderless World Foundation were sent for trainings to renowned institutions of Pune according to their areas of interests. This success gave the whole team of BWF more confidence, rejoice and self satisfaction as all the three girls came from such remote and conflict hit areas where achieving such success and gaining self-confidence is a big challenge. The girls make the whole team of Borderless World Foundation proud as it has been always the priority of whole team to empower the girls of conflict hit areas by identifying their aspirations and holding their hand towards the path of their achievements.

EVENTS

Picnics and Festivals

*Picnics organized
for B-e-T
Kupwara,
Anantnag and
Beerwah Homes in
the month of
August, 2015*

BWF believes that Excursions/ picnics facilitate a multifaceted perception of the world. Excursions are an additional source of education to the students as they inform them about the various places of interest in and around their locality and in the neighboring states or some other places. An actual visit to a place of historical or cultural interest supplements a child's knowledge about it. In this regard, BWF used to organize annual picnics for all its Basera-e-Tabassum Homes.

On 2nd of August, 2015 BWF organized a picnic for B-e-T Kupwara children with 6 staff members to Chari- e-sharief and Yusmarg.

Chari-e-sharief is one of the most ancient shrines which stand tall in the valley of Jammu and Kashmir.

All the children were amused to see the heritage of about 600 years old. The children went for ablution 'Wudu' and entered into the shrine for prayer. The other spot named as Yusmarg meaning "The meadow of Jesus".

It's believed by the natives that Jesus came to Kashmir and stayed at Yusmarg for some time. It was a wonderful experience where children learnt many things, enjoyed and had great fun.

After Kupwara, Basera-e-Tabasum Anantnag went to picnic. On 16th of August, 2015 along with four staff members. children from B-e-T Anantnag went to Pahalgam which means "the valley of shepherds". Pahalgam is the famous tourist spot in Kashmir with crystal clear water all around. The children take pony rides, play with water and play many games in complete supervision. All children were given a timeframe within which they were allowed to play and explore the beauty around.

On 23rd of August 2015, Borderless World Foundation organized excursion trip for B-e-T Beerwah with 5 staff members and 4 volunteers to Sonamarg which means "Meadow of Gold", a hill station in the Ganderbal district. It was about two to three hours distance from the Beerwah Home. The children were extremely excited to reach the destination. All the children kept singing songs and dancing in the bus till they reached the venue. The children were amused to see the enchanting natural beauty and snow clad peaks, ponies carrying tourist's up to hilly areas crossing stunning blue water lakes and grasslands.

Mr. Shiekh Shahnawaz Zahoor_ Chairman BWFJKL and the volunteers helped in making the picnic trips a great success and also memorable for all the children. All of them take children under complete supervision to different areas around; played with them in water, take photographs, showed huge mountains. Mr. Zahoor and Ms. Salima told some amazing facts related to the areas just to enhance the knowledge of children as well as others.

The EID festivals were celebrated by all B-e-T Kids in the months of July and September.

Basera-e-Tabasum is the Homes away from home for all children. Celebrations of all festivals in BWF Homes are one of the major activities which enable children to develop an awareness of the world around them. BWF tries to stimulate all round development of a child and celebrations of different festivals helps the child develop a desire to understand her culture as well as others and respect them.

Children in Basera-e-Tabasum Homes and FAH took the opportunities to celebrate the various festivals. The children in Basera-e-Tabasum Homes celebrate the Eid festivals with great enthusiasm and vigor. All children came in beautiful dresses and some selected children recited the Kalma and Verses of holy Quran. The managers within the Homes explained the meaning and significance of Eid festival to all children.

*Celebration of
Festivals at FAH
(Facilitate and
Accomplish with
Humility) Home*

The loving occasion of Raksha Bandhan was celebrated in FAH home which is the best time for sisters to reminisce fondly the wonderful moment spend together with their brothers and signify the bond of protection or promise of protection. All children applied tilak to the forehead of their brothers, tie Rakhi to their wrists and do arati and pray for their health and

long life.

Following Raksha Bandhan, Krishan Janmash-tami was celebrated. Short skits/drama was performed by children at home depicting the stories of lord Krishna and Sita.

In the month of November, the festival of Light Diwali and Bhai Dhooj was celebrated with great enthusiasm. The children enjoyed sweets, turn up home with lights all over and play with crackers in the supervision of elder members from Home.

Bhai Dhooj, a festival in which sisters pray for their brother's long life and health. All the girls from FAH invited their brothers at Home and were lavished with gifts, goodies and blessings from their brothers.

The long awaited bonfire festival _ Lohri was celebrated in January, Children light a large bonfire at sunset, toss sesame seeds, gur, sugar-candy and sit round it, sing, and dance till the fire dies out.

To promote a healthy father-daughter relationship and create a tradition of memories to last a lifetime in BWF, Mr. Adhik Kadam celebrated Valentine's Day with all FAH children by cutting a chocolate flavored cake and gifted a bouquet of red roses to all his Angels.

In March, 2016, the FAH Home spread the message of peace and happiness by celebrating the Festival of Holi. The kids painted the faces of each other with colors of love and broke the ice to renew relationships. The flavor was added to the festival of color when children sang beautiful songs and performed group dance .

Medical Camps

Children attending medical Camp organized by BWF on 10th October, 2015

A free medical camp was organized by BWF at Sub-District _ Beerwah in 10th, October 2015. The camp was sponsored by Health Department and Security force. In the event, all children from B-e-T Beerwah got free medical checkups from the doctors comprised of one General Physician, one Surgeon and one Gynecologist

*Medical Camp
organized at
FAH Jammu
on 20th
December,
2015*

One more medical camp was organized by BWF in December, 2015. In which all FAH kids along with 150 local got free medical health checkups by renowned doctors at Jammu.

The health and hygiene of children has always remained a concern. In this regard, BWF recently tied up with the Directorate of Health Services Kashmir for free Medical Checkups to the children putting up at all Basera-e-Tabasum Homes, for which a formal written approval was given by the Directorate Health Services Kashmir under its School Health Programme.

Directorate of Health Services
Kashmir

Chief Medical Officer,
Kupwara/Budgam/Anantnag

Sub: Supporting the work of Borderless World Foundation.

No:DHSK/PS/Borderless/126770

DT: 22/12/2015

Sir,

In context to the subject cited above, this is to inform that Programme Executive Director, Borderless World Foundation vide No: BWF-JK-2 dated 16.12.2015 has requested for providing regular health checkups at the Homes having been established by their organization under the name and style *Basera-e-Tabassum* at sulkoot Kupwara/ Beerwah Budgam and KP Road Anantnag. The organization in question has been focusing on rehabilitation, socio-economic empowerment with a belief that humans are *one great human family*.

Accordingly, in the interest of Home Living Children's health, you are requested to direct the concerned School Health Team to facilitate the home children with all possible medicare services. The work done be reflected to this Directorate under School Health Programme for record and reference.

The representatives of the Borderless World Foundation have been asked to be in touch with you regarding the same.

Yours faithfully

Dy. Director Health Services
HQ Kashmir

Copy to:

- 1- Mr. Ashish, Programme Executive Director, Borderless World Foundation, Tilak Road, Sadashiv, Pune (India) for information. He will depute the representative to the respective CMOs alongwith the copy of the letter.

Debates and Competitions

*Drawing Competition
Organized by Army
at B-e-T Beerwah on
the eve of Independ-
ence Day*

On the Eve of 69th Independence day , a drawing competition was organized by local Army at Basera-e-Tabassum Beerwah Home . The competition began with unfurling of the national flag by the Commander Chief of Army. The theme of the event was “Independence day “ and total 26 girls from B-e-T Home Beerwah participated in three different categories .

- Category A comprised of students from class 1st to 6th .
- Category B comprised of students from class 7th to 9th and
- Category C was having students from class 10th onwards.

This was an attempt by the BWF to engross the feelings of patriotism in the children and so did the students participated enthusiastically.

The event went on successful and colorful , in which children put their expressions and ideas on canvas just to depict their love and respect for their nation.

The Commander Chief (CO) of Army along with BWF Chairman Mr. Sheikh Zahoor conducted prize distribution ceremony.

- In Category A, Bisma Jan of class 3rd Bagged 1st prize and Gazala Skindre of class 2nd Bagged 2nd Prize.
- In Category B, Kulsum Jan, a student of class 8th got 1st prize and Safeena Majid of class 9th got 2nd Prize.
- In category C , Khair -ul- Nissa got 1st prize and Sarwar Jan of class 12th got 2nd prize.

***One-day Debate
Competition
organized by BWF
on 26th August,
2015***

The debate competition organized by the *Borderless World Foundation* for *Basera-e-Tabassum* girls was the maiden episode planned by the *Central office at Srinagar*. Debate is one of the academic activities that give children creative room to express what they feel.

The length and breadth of knowledge that they gain through this is simply unparalleled. give students creative room to express what they feel.

The competition was held at the *Central Office Conference Room* on *26th August, 2015*. The emphatic aim of the debate was to gather the girls of all *B-e-T Homes* at one place and help them to explore and appreciate their skills.

The format of the debate was a bit different where in two topics were assigned to two groups. The group ‘A’ comprised of girls of higher secondary and had to debate on the topic, *“Importance of Women Leadership in Kashmir”* whereas the second group ‘B’ comprised of juniors were assigned to exhibit their debating skills on the topic, *“Beti Bachao, Beti Padhao”*.

It was very evident that the girls were well prepared and they used various skills like definitions, irony, over-statement etc. to convince the audience and the judges.

Some participants armed with Statistics and data made their arguments more emphatic with their righteous facial expressions, body language and gestures. Some girls exhibited great oratorical skills. At the end of the heated but interesting debate which lasted over three hours.

The certificates of participation were distributed to all the participants.

- *Rubeena Akbar* of B-e-T Kupwara emerged the First prize holder in Group 'A' and *Nadia Jan* of B-e-T Anantnag from group 'B'.
- The 2nd prize from group 'A' went to *Sarwar Jan* of B-e-T Beerwah and from group 'B' to *Gulshan Ara* of B-e-T Kupwara.
- The 3rd best was chosen *Nancy Gowhar* from group 'A' of B-e-T Anantnag and *Parveena Akhter* of B-e-T Kupwara from group 'B'.

In this year many awards at school level competitions were bagged by children from FAH Home, Jammu.

Sana Kumar and Mercy from FAH Home studying in Ranjit Memorial Public High School bagged best student trophies.

Muskan Kumari bagged 1st prize for Essay competition at School

The team of children from FAH Home bagged 1st prize for singing the best patriotic song at school level Competition

Conducting Parent Meetings within BWF Homes.

With the end of the year , BWF gives prior importance to have the Parent– staff meetings within Homes with a belief that such meetings can play a very important role in child’s development and academic success.

The Staff within the Homes and parents/ guardians of the child often see different aspects of a child’s personality., which BWF believes can be understood only by maintaining an open dialogue on the child’s achievements and behavior. Such meetings helps the parents/guardians to learn of any challenge their child might be having. By the same token, parent/ guardian can let the staff know of any special circumstances at home that might have some bearing on the child’s performance or behavior.

For BWF overall development of child is utmost important.

Training Programs

Two day training session was provided by “The Miracle Foundation”. at Delhi

Trainings are the process of enhancing the skills, capabilities and knowledge of employees for doing a particular job especially when one has to deal with children. So, BWF thought to go for TOT (training of trainers) for which in the month of December 2015, Borderless World Foundation (BWF) organized a two day training session with “The Miracle Foundation” at Delhi for, lead female employees of its central office who directly have to work with Foster care management .

BWF believes and wants to continuously arrange such more sessions for all the staff as to get effective, productive and quality performance of employees.

Miracle Foundation is a US based 501 (c) (3) non-profit organizations, founded in 2000 and headquartered in Austin, Texas and has a focus on revolutionizing the way of children orphanages/homes .

The Miracle Foundation is a group of amazing Children’s Homes who work together to improve the lives of the children and transforms the lives of orphans by partnering with children homes and helping them build their capacity by providing staff trainings, strengthening operational processes and systems, executing the programs, monitoring, mentoring and providing resources directly to orphanages/homes in the program.

The attendees in the sessions were:

<i>Name of the trainers</i>	<i>Designation/Organization</i>
Ms. Sandhya Mishra	Senior Program Manager_ The Miracle Foundation
Ms. Preeti Seth	Senior Program Coordinator _ The Miracle Foundation
<i>Name of trainees</i>	
Mr. Nitin Upadhye	Chief Coordinating officer_ Borderless World Foundation
Ms. Salima Bhat	Project coordinator/Admin_ Borderless World Foundation
Ms. IqraJaved	Programs Officer_ Borderless World Foundation

BWF thanks “The Miracle Foundation” for giving its employees a chance to come and get such a superb experience in the shape of training session and specially present a vote of thanks to Ms. Sandhya and Ms. Preeti, who used a lot of examples to make the approach of Miracle clear and easy to understand and make the session a participatory one so that it does not become a one-way process wherein BWF come out from its shells and talk with the Team openly and transparently just because the whole team wants to grow positively just for our Children.

Visitor/ Intern Testimonial

Mr. Milind Gajanan Watve, professor at IISER, Pune along with his wife Ms. Archanna visited B-e-T Kupwara, Beerwah and Women Social Entrepreneurship Centre in the month of October, 2015

This is to thank BWF for giving us an opportunity to visit two of your homes and lots of talks and discussions.

Both of us were happy and impressed by the depth of the work. It is one thing to help someone as a charity but it is entirely different to give them affection, love and trust. This is what we found in your homes and they are very appropriately called homes. All the girls looked extremely happy and lively. They had the spirit of learning and developing and were optimistic about their future. It is good to see they are being given a variety of opportunities of learning including photography, computers, arts and crafts so that their natural aptitude is catered for. Both of us were moved by the effort and would like to contribute to it in whatever way we can.

Mr. Milind Watve

Dr. Samta from Mumbai visited FAH Home at Jammu in the month of January, 2016.

My visit to BWF project FAH, Jammu Home is one of the best memories of my life, as each and every moment which I spent at this home fulfilled my heart with joy.

I am extremely happy after seeing the manners of children at FAH home. All children are so obedient and loving by nature.

I am so happy with the way these students are living there and I want to send my daughter too to visit FAH Home of BWF and stay there for some days and taught them during her stay at Home.

Really, I felt so happy after visiting FAH Home at Jammu and Congratulate BWF for such initiatives.

Dr. Samta

Captain. Harnam Singh Manhas and his wife Mrs. Manhas (Landlord of FAH Home) used to visit project FAH at Jammu..

When I visited my home, where BWF project FAH is running, I felt the same way when I entered my house for the first time some years ago.

The officials of this Home including children have so nicely maintained this house to make it their Home.

I am extremely happy with the way all children are living there and was amazed to see the level of sanitation and hygiene which they have maintained. I really enjoyed during my visit at FAH Home.

May God bless them.

Mr. Harnam Singh Manhas

Ms. Ekta Thoke, student of Architecture at L.S. Raheja school of Architecture, Bandra worked as an Internee with BWF in the month of July, 2015.

My name is Ekta Thoke and I had been to Kashmir as part of my architectural thesis case study work. I had to stay in Kashmir for few weeks. I lived with the girls of Basera-e-Tabassum Homes of Borderless World Foundation. By far the best part of my journey was the time I spent with the girls. They took care of me as though I was their younger sister, despite the fact that I am actually elder to them. Their love and care never made me miss my home.

We danced, laughed, talked for hours, studied and worked together. The memories they gave me is something I hold very close to my heart. For a city girl, it was life from a completely different perspective. Their innocence, hardworking spirit and ability to love so unconditionally are qualities I tried to bring back with me. I don't have enough words to describe my time there and what I felt for them.

I am Thankful to BWF and Mr. Adhik Kadam who gave me the opportunity to visit BWF Homes.

Miss Ekta Thoke

Organizational Structure:

Vision

“Empowerment of conflict affected children to reach their full potential through education and socio-economic initiatives”

Mission

- To develop socio-cultural proximity and enrich the local social structure
- To work towards physical and psychological recovery and social re-integration of conflict affected children and women
- To assist in Education, Health-Care, Rural Industrial and Economical development in conflict hit areas.

लघुउद्योग प्रकल्प सादरीकरण स्पर्धेत बॉर्डरलेस फाउंडेशनच्या मुलींचे यश

प्रतिनिधी, पुणे

चिनार इंटरनॅशनल लीडिंग डेव्हलपमेंट सेंटरतर्फे श्रीनगर येथे झालेल्या लघुउद्योग प्रकल्प सादरीकरण स्पर्धेत पुण्यातील बॉर्डरलेस वर्ल्ड फाउंडेशनच्या मुलींनी प्रथम क्रमांकासह यश संपादन केले.

जम्मू-काश्मीरमध्ये अधिकाधिक उद्योजक घडावेत हा या स्पर्धेचा मुख्य उद्देश होता. फाउंडेशनच्या मुलींनी कॉम्प्युटराईज्ड एम्ब्रॉयडरी आणि पर्यावरणपूरक सॅनिटरी नॅपकिन असे दोन प्रकल्प सादर केले होते.

पारंपरिक काश्मिरी कलेला तांत्रिकतेची जोड देत सादर केल्या कॉम्प्युटराईज्ड एम्ब्रॉयडरी प्रकल्पास अनेकांनी प्रथम पसंती दर्शविली. विजेत्या मुलींना मुंबईच्या 'टाटा इन्स्टिट्यूट ऑफ सोशल सायन्स' मधून पुढील मार्गदर्शन मिळणार असून त्यांच्या लघुउद्योगाला तीन लाख रुपयांची मदतही केली जाणार आहे. या वेळी चिनार फाउंडेशनचे अध्यक्ष इरफान शशमिरी आणि संचालक यासर शाह उपस्थित होते. २० वर्षे काम करीत असून तेथील महिलांना आर्थिकदृष्ट्या स्वतःच्या पायावर उभे करण्यासाठी कार्यरत आहे.
